BITS and PIECES

ASSHOLE OF THE MONTH

The political arena hosts a perpetual game of offal leapfrog. Behind every fetid shit hatch is an even fouler set of sphincters, eager to climb a ropy ladder of dingleberries and prove its fecal supremacy. Case in point: Representative Rick Lazio (R-NY).

Lazio is the surrogate rectum who threw himself into the 2000 New York Senate race in May, after NYC Mayor Rudolph Giuliani's own loaf-pincher went cancerously awry. Had Herr Rudy's dung valve not failed him, Lazio would still be wallowing obscurely in Long Island, where he represents the Brightwaters district in the United States Congress.

Lazio has elevated himself to a turd-hurler of national renown and simultaneously earned the distinction of becoming HUSTLER's Asshole of the Month for November 2000.

Lazio, 42, made his first splash in the political chamber pot in 1992. Running against popular Democratic Congressman Tom Downey, Rick the Prick launched a campaign characterized by the local press as "relentlessly negative." Lazio's main tactic was to paint Downey as a junket-happy "political insider," even as the challenger tried to glom on to the incumbent's esteemed reputation.

"One of the most frequently made remarks people make is to say that I remind them of a young Tom Downey," Slick Rick proclaimed.

To the extent that, in 1999, Lazio led the New York delegation in taking the kind of "freebie trips" he accused Downey of exploiting, this assessment is correct.

Lazio's rabid assault on Downey appears to be his last resolute act on record. The Boy Blunder paints himself as a "centrist"; he might better be referred to as "gutless." Lazio has switched votes 71 times during his tenure. Notes the *New York Post*, "Rarely has he advocated an unpopular position out of conviction."

Lazio's Senatorial race against Hillary Clinton is marked by the same duplicity that defined his descent into the Congressional shit stream. "Let the other side pursue a politics of discord and division," intones Ricky Retardo. "I'll run hard, fight fair, stand on issues."

Lazio's main "issue" can be summed up as such: "I'm from New York, and Hillary's not." Lazio's abstinence from mudslinging includes such vitriol as, "She comes to New York with the support of every left-wing special interest, from Washington insiders to the Hollywood elite."

The congressman's abhorrence of outside influence didn't deter him from suggesting that the $9-million surplus from Giuliani's war chest, half of which came from out-of-state donors, might best be funneled into the Republican party, which could then use the lucre to aid Lazio's election effort.

"I think he will make the right decision," Lazio said of Giuliani, who he'd earlier savagely criticized as an unworthy candidate and a "reluctant Republican."

When he's not pounding the carpetbagger drum, Lazio takes opponent Clinton to task for her investment history. "I've never invested in a single cattle futures [sic] in my life," Lazio quipped to radio personality Don Imus, referring to Hillary's controversial livestock investment in the late '70s.

Lazio's tone was less whimsical a week later, when the Securities and Exchange Commission launched a probe into a 1997 investment of his own. Li'l Dick pumped $2,300 into securities in a brokerage firm that, just weeks later, was taken over, netting Lazio a 600% profit. Moreover, executives at the brokerage had donated at least $35,000 to Lazio's campaigns since 1995.

The Lazio camp was quick to blame the investigation on a vast, Clinton-led, left-wing conspiracy. "I think it's fairly transparent," opined Lazio.

What's transparent is Lazio's attempt to deflect attention from his shady dealings. Any idiot, and perhaps even Lazio, could see the seeming impropriety of his investment. Besides, if Rick, who heads the housing subcommittee on the House Bank panel, has enemies in the SEC, he didn't need Hillary's help attaining them. Among his many concessions to mortgage-industry lobbyists is a bill that would lower the transaction fees that mortgage companies must pay to the SEC.

Still, Lazio insists, "I think the Clinton camp has got to answer for itself. And I think the people of New York are going to judge her behavior."

In the meantime, let us judge Lazio's feeble cries of persecution as the whining of a winded, finger-pointing Asshole.

FARTS IN THE WIND

PETA: Fresh off their campaign encouraging students to drink beer instead of milk, the increasingly ridiculous animal-rights group piped up to protest the reality-TV program *Survivor* after one of the show's island castaways was shown cooking a rodent for sustenance. "[P]ublicity-seeking contestants are using their fame to commit animal abuse," hissed publicity-seeking spokeswoman Dawn Carr. No wonder no one gives a rat's Asshole about this group.

Robert Ray: The successor to Kenneth Starr as Independent Counsel, Ray recently performed an end run around due process, tainting Hillary Clinton with the presumption of guilt. Ray told the press he'd found "substantial evidence" against the First Lady in the Travelgate case, but wouldn't file charges because he couldn't back it up "beyond a reasonable doubt." Can there be any doubt that Ray is a sneaky, unclean Asshole?

Americans crave nothing so much as the sight of a sitting President's reclining daughter, tugging at her rosy garden to expose an oval orifice. HUSTLER's editorial staff is so sure of this, we're willing to bet $10 million of our boss's money on a special election.

HUSTLER readers are the crucial Erectile College that selects the most fuckable of the candidates' offspring. Circle your pick on the ballot slip to the right. When the votes are tallied and our next President takes office, either two teen Bushes or three Gore holes will remain. Of these, the princess who earns the most reader votes will receive Larry Flynt's bonafide offer of ten million bucks to flash bait in HUSTLER.

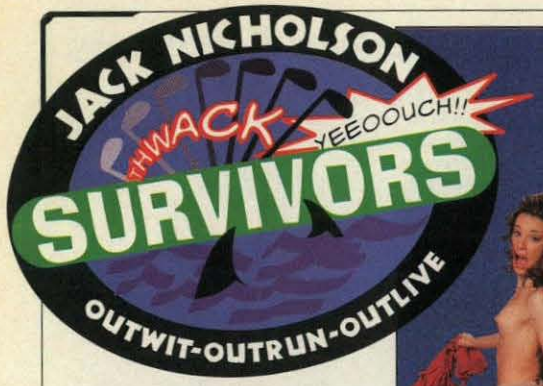
Stacy Valentine Steps Into a Throng at HUSTLER Hollywood

Wide-eyed boff toy Stacy Valentine's porn-queen ways are chronicled in Christine Fugate's new documentary, *The Girl Next Door*. The film details Valentine's life without showing a single on-screen hump—a directorial decision that must baffle admirers of the blond pornstress's comparatively volcanic adult films. Nevertheless, stacked Stacy's recent signing at HUSTLER Hollywood to promote the Fugate flick drew fans like Kevin Spacey's sexuality attracts speculation.

To obtain a schedule of HUSTLER Hollywood events, swing by the store at 8920 Sunset Boulevard, Los Angeles, California, or visit HUSTLER's Web site at www.hustler.com.

Top: Stacy and her personal voyeur, producer-director Christine Fugate. Bottom left: Interviewer Nakita Ca$h masks her envy. Bottom right: Hypnotized fans ogle The Girl Next Door's neighboring peaks.



The first of a new crop of reality-debased TV programs, *Jack Nicholson Survivors* maroons girls on a desert island with a violence-prone geezer. Every day, the aging jet-setter proves he doesn't need to pay for sex by beating down another captive cutie. The chick who sticks it out the longest must endure the grand prize—dinner at home with Jack, followed by a night of clubbing.

Ode to Genesis

I'm writing in regard to the pictorial of Genesis and Mitch in the Anniversary issue (*Genesis and Mitch: Dogging It*, July 2000). I think Genesis is so hot. I'd like to see more of that sizzling brunette.

—R. P.
Chicago, Illinois

You may have already. Genesis is all over the March 2000 issue of HUSTLER. Perhaps it was the long, blond tresses that our covergirl usually sports that threw you for a loop. If you want to be sure, check out the centerfold pictorial (Genesis: Urbane Outfitter, March 2000) for a closer look at her incredible, one-of-a-kind pussy. Snag the issue by calling (323) 651-2348. Wig or no wig, that twat is impossible to forget.

HUSTLER Double Threat

I've been a HUSTLER reader for years. When my buddy told me that I was going to be his best man, I knew exactly what to do. I whipped out a back issue that featured a guide to bachelor-party planning (*Bachelor Party Strippers: Merry Mourners at the Death of Hope*, October 1991) and called the company you recommended, Celebrity Centerfolds. Thanks to you, me and my pals had a great night. Luckily for me, my good fortune didn't stop there. After the party, I went home, horny as hell, to find my girlfriend waiting for me, reading the July 2000 HUSTLER! The pictorial *Genesis and Mitch: Dogging It* turned my girl on something fierce. She asked me to fuck her exactly how the couple screwed in the layout. Of course, I obliged her. We fucked up a storm. Sticking to your hardcore blueprint, I topped off the session by letting loose an explosion of cream into my chick's mouth, down her chin and all over her tits. Thanks, HUSTLER, for two separate issues that combined to make my night fucking fantastic. —B. B.

Studies show that HUSTLER is responsible for more nights of ejaculatory bliss than any other newsstand publication. We do our best to supply the reader with the perfect mix of stroke material, humor and useful, no-nonsense advice. Thanks for sharing your story; you're proof that scoring's easier with HUSTLER.

Bo Peeps

Thanks a million for the awesome photo layout of Bo (*Bo: Rear View*, August 2000). Is that Honey the same girl who acts in XXX under the name Bonita Saint? Please give us more layouts of her in future issues. She's awesome! Also, I'd like to cast my vote for Ruby (*Beaver Hunt*, August 2000); she deserves to be a *Beaver Hunt* Finalist. —G. B.
Burgaw, North Carolina

Bo: Rear View

Good eye, G. B.; the gorgeous Honey is indeed the same Bonita Saint of XXX fame. We had so much fun with her on the set, you can be sure she'll be back soon for a HUSTLER encore.

Clit Stud Convert

Thank you for blessing me with the girl/girl pictorial featuring the beautiful Jackie (*Jackie and Jezebelle: Come Naturally*, August 2000). I was never into piercings before, but the multiple studs that highlight the raven-haired Jezebelle's jewels have made me a believer. —L. A.

Covered Up

As a longtime fan of HUSTLER, I have something I need to get off my chest. I know this isn't 1974 anymore, but what happened to all the outlandish, crazy-as-hell covers you guys used to publish? Another feature from the good old days that I miss is the commentary from Larry Flynt that kicked off every issue. Chester the Molester is sorely missed as well. I know that I'm not alone in missing these

classic aspects of HUSTLER. Seeing as you always point out how dedicated you are to your readers, here's your chance to show that you really mean it. Bring back the parts of America's Magazine that made HUSTLER my divine bible of porn.
—B. H.
Wahpeton, North Dakota

A monkey on the July 2000 cover isn't good enough? HUSTLER's sickest minds have been concocting some great surprises that will satisfy even the most crotchety old-timers. Keep an eye out for a delightful Holiday 2000 cover and more bizarre photo-sets in the grand HUSTLER tradition. Our army of trained chimps cranks out irreverent gross-outs and parodies in Bits & Pieces, and our cartoonists still deliver the nastiest gags in the industry. Believe us when we say that we've taken your concerns to heart and are rising to the challenge as you continue to rise to our magazine.

Prison Blues

I just finished reading your story on prisons for profit (*Prisons for Profit: Private Pokeys Cash In on Misery*, September 2000). I can't tell you how glad I was to see the truth for a change. Most of the time when a convicted felon cries foul, no one listens, and for good reason—we tend to cry wolf a great deal. That said, I spent some time in both the Dickens facility in Texas and at the CCA facility in Mason, Tennessee. Inmates were shot and beaten to death in Texas. My stay in Mason was no picnic either. These corporations really do cut corners in order to put money in their pockets, and that puts everyone at risk. Jailing is a business, and felons are the cash crop. Thanks, HUSTLER, for coming out on the side of the truth. Please don't use my name; I fear the repercussions.
—Z. Z.
Deer Lodge, Montana

Many readers have found our prison-for-profit exposé to be a real eye-opener. Thanks for sticking your neck out and sharing your take on the whole fiasco. If there's anything to be learned, it's that pencil pushers and corner cutters will always find ways to wring every cent from other people's misery. All the more reason to keep your nose clean on the outside and avoid the joint altogether.

Hard Time

This letter is for all the motherfuckers locked up in the joint. I'm sick and tired of sorry bitches saying that fucking another man is a bad thing. I see shit like that go down all the time. I've even stuck my dick in a couple of punk-ass motherfuckers' mouths and assholes, and it felt real good. That doesn't make me no punk; if a man wants to portray himself like a woman, I'm gonna fuck him like one. That's just the way it is down here in Arkansas.

Newport, Arkansas

We hear that fucking sheep feels pretty awesome, too, but you're not gonna catch most of us anywhere near the pasture. The next time we're in an Arkansas prison, we'll keep your advice in mind and our asses to the wall.

Porn Panhandler

Here in the lockup they don't let us have no hard-core porn with penetration. I ran across a copy of HUSTLER that contained an ad for HUSTLER'S BROWN SUGAR. I don't have a subscription to either magazine; so can you send me a free issue?

We know you're used to eating gratis in the prison cafeteria, but out here there's no such thing as a free lunch. If you send $39.95, you'll snag seven issues free at our discount subscription rate. Sadly, HUSTLER'S BROWN SUGAR is no longer in publication. Call our subscription hotline at (323) 651-2348 and ask for back issues. Sorry, they're not free either.

Old, Dirty Bastard

I like sex, but I also love really kinky shit. I enjoy putting on a pair of Depends, then letting loose, filling the adult diaper with as much shit and piss as I can. Does this make me nuts? Am I the only person who likes this stuff? Are my nasty habits the reason I can't find a lady?

"Ever since Dwaine got here, things ain't the same."

A HUSTLER Tribute to DWAINE TINSLEY.

DECEMBER 31, 1945, TO MAY 22, 2000

On May 22, 2000, HUSTLER lost a beloved member of its family. Often referred to as HUSTLER's "first employee," Cartoon Editor Dwaine Tinsley was as integral to defining the voice of HUSTLER as our photographers' pictorials and Larry Flynt's legendary legal tribulations.

Dwaine missed being the first baby born in Richmond, Virginia, in 1946 by 27 minutes and, as he liked to point out, was pissed off about that ever since. Growing up on the wrong side of the tracks, Dwaine spent his formative years going in and out of correctional institutions, ending his career as a burglar when he was shot while fleeing the scene of a crime by a cop who had ordered him to halt. "I thought he said 'haul ass,'" was Dwaine's excuse, which failed to impress the judge. After Dwaine's release, the self-taught artist walked into the offices of the sex tabloid *San Francisco Ball* with $1.16 in his pocket and an impressive portfolio of cartoons. He was hired on the spot, and in 1975, what Dwaine self-deprecatingly referred to as his "feeble scratchings" began to appear in the pages of HUSTLER.

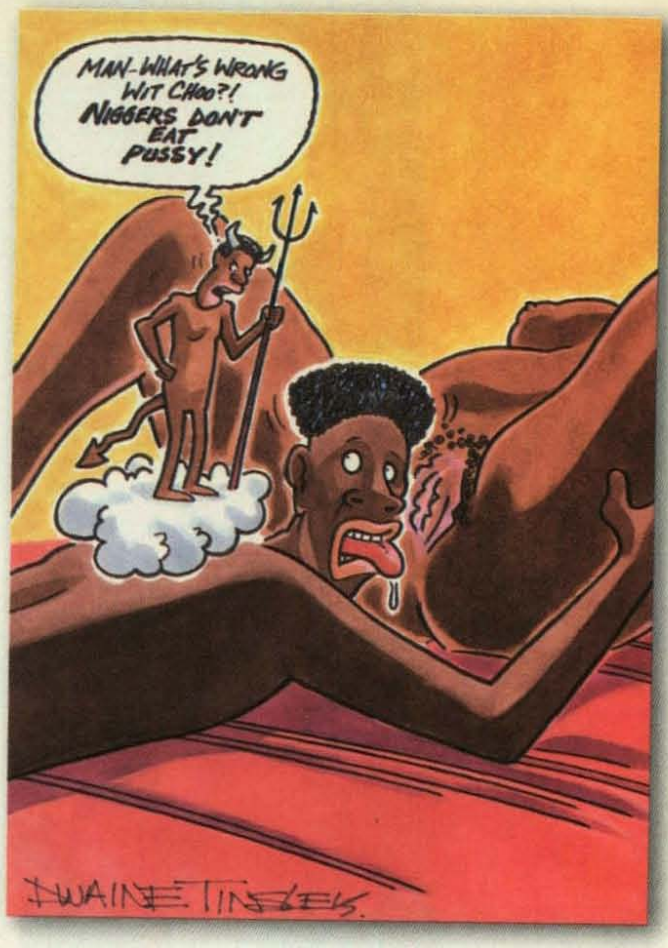
Dwaine's irresistible urge to flame-broil sacred cows and shatter taboos with his cartoons made him an ideological soul mate of Larry Flynt, and the two became like brothers over the years. During Dwaine's tenure at HUSTLER, he wormed himself into the national consciousness by creating Chester the Molester, cultivated a stable of outstanding cartoonists, became a loving father and was a devoted husband to the love of his life, Ellen.

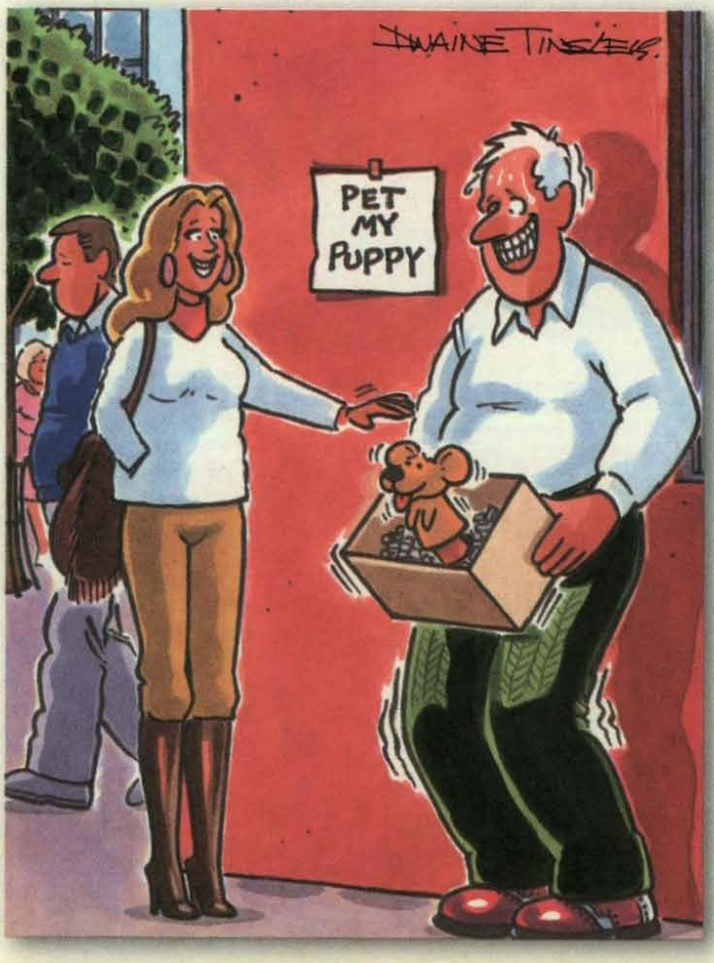
In this special tribute to our friend Dwaine, we've included one brand-new cartoon completed by Ellen Tinsley, a selection of Dwaine's favorites and a collection of tributes from Dwaine's fellow cartoonists.

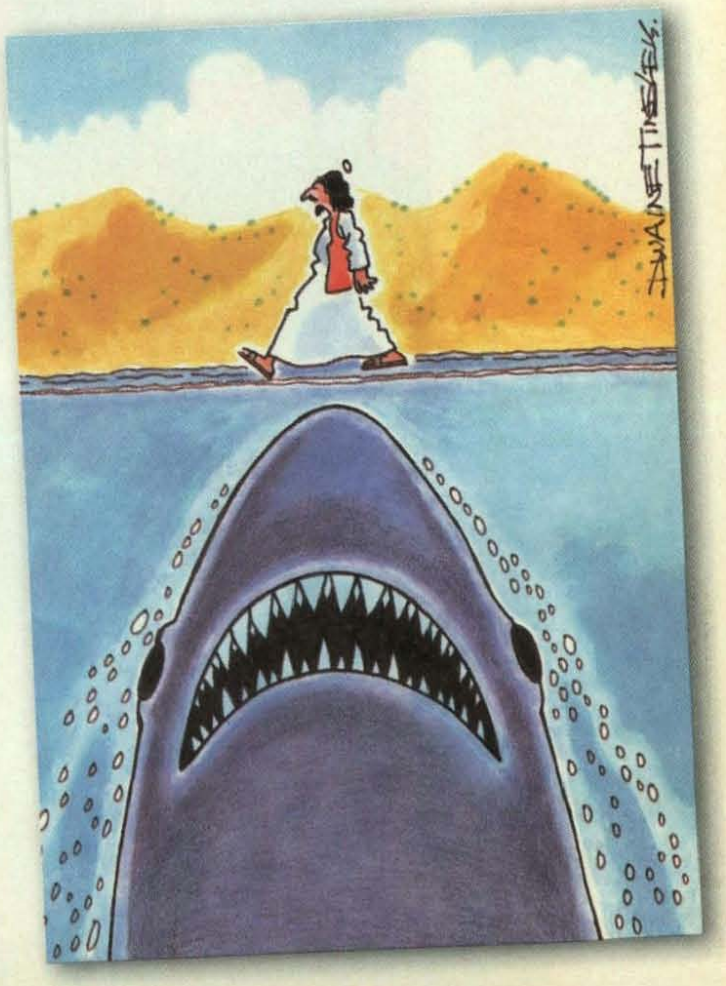
No doubt Dwaine is already devoting himself to being a self-proclaimed pain in the ass in the sweet hereafter, and we wouldn't have it any other way.

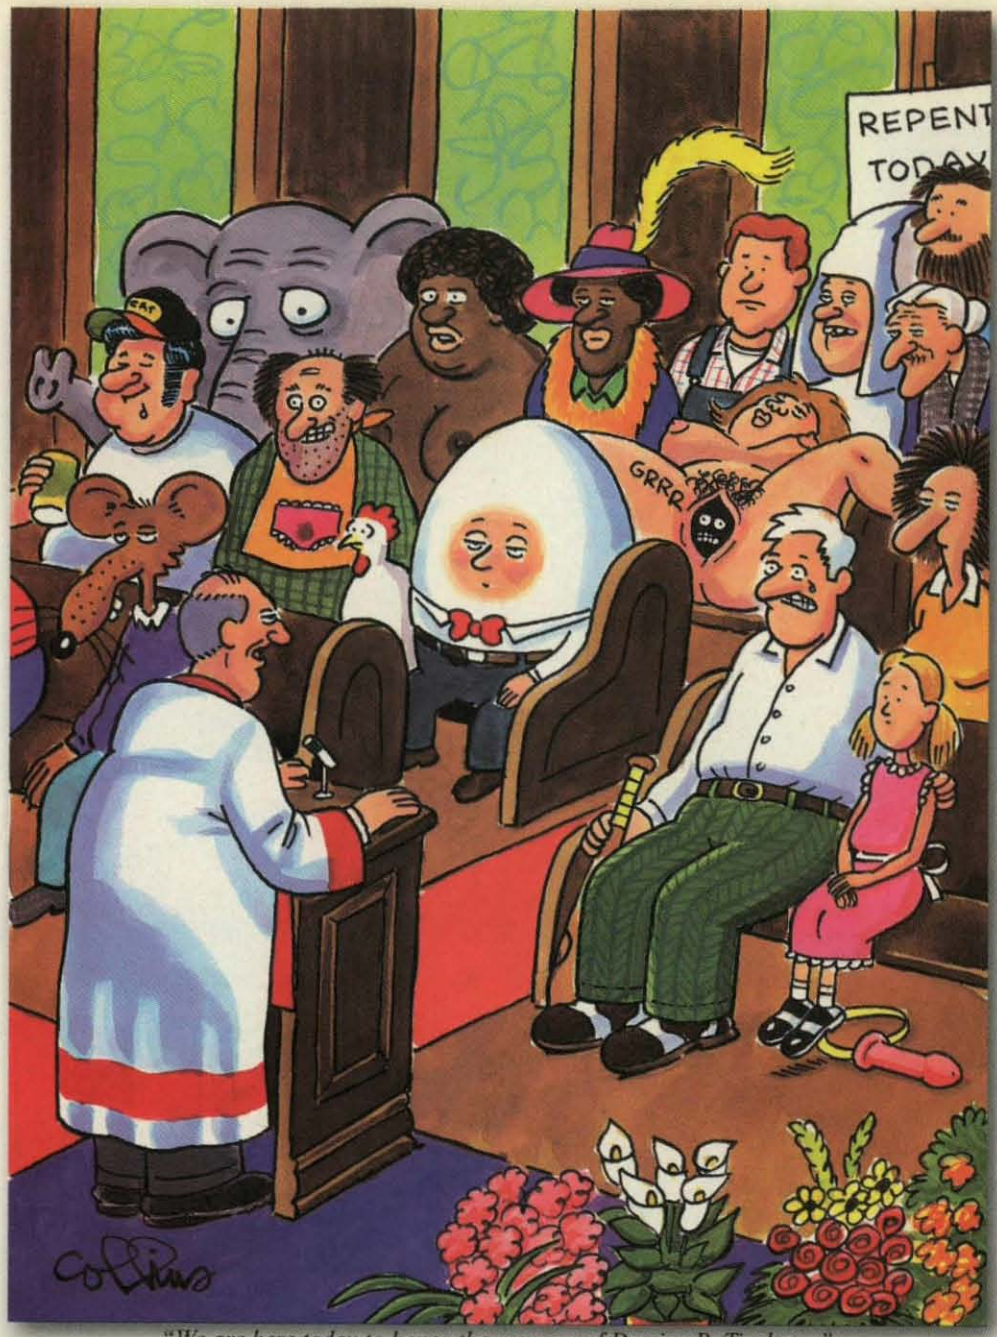
We'll miss you, good buddy.

"So...how's that portrait of mother coming along?"

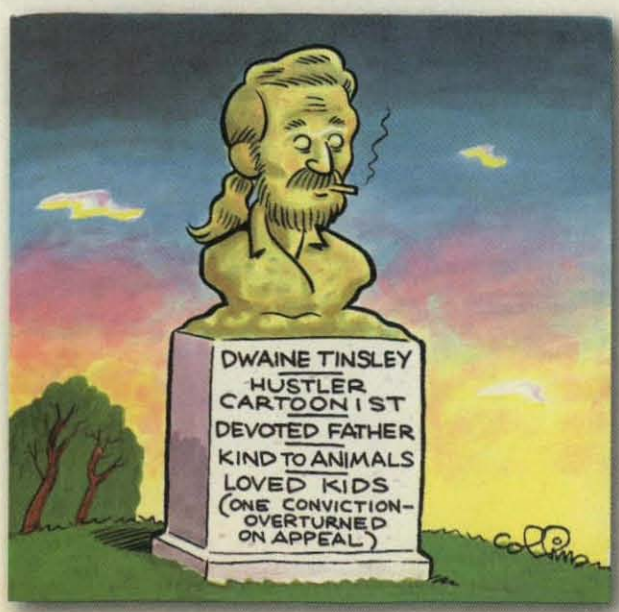


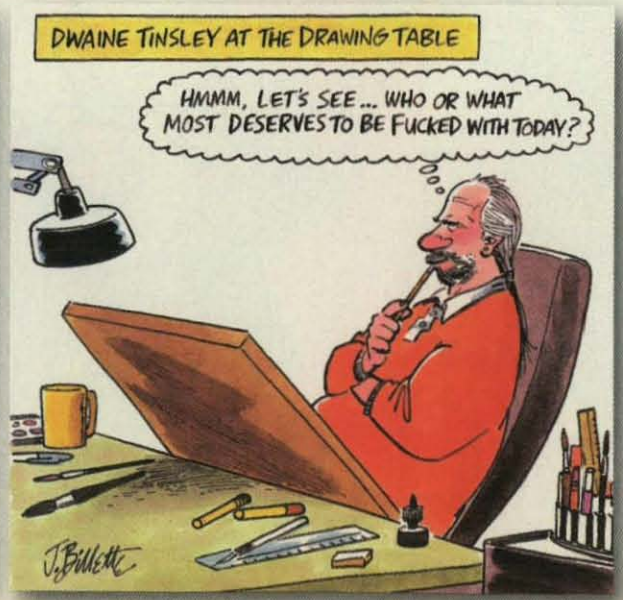


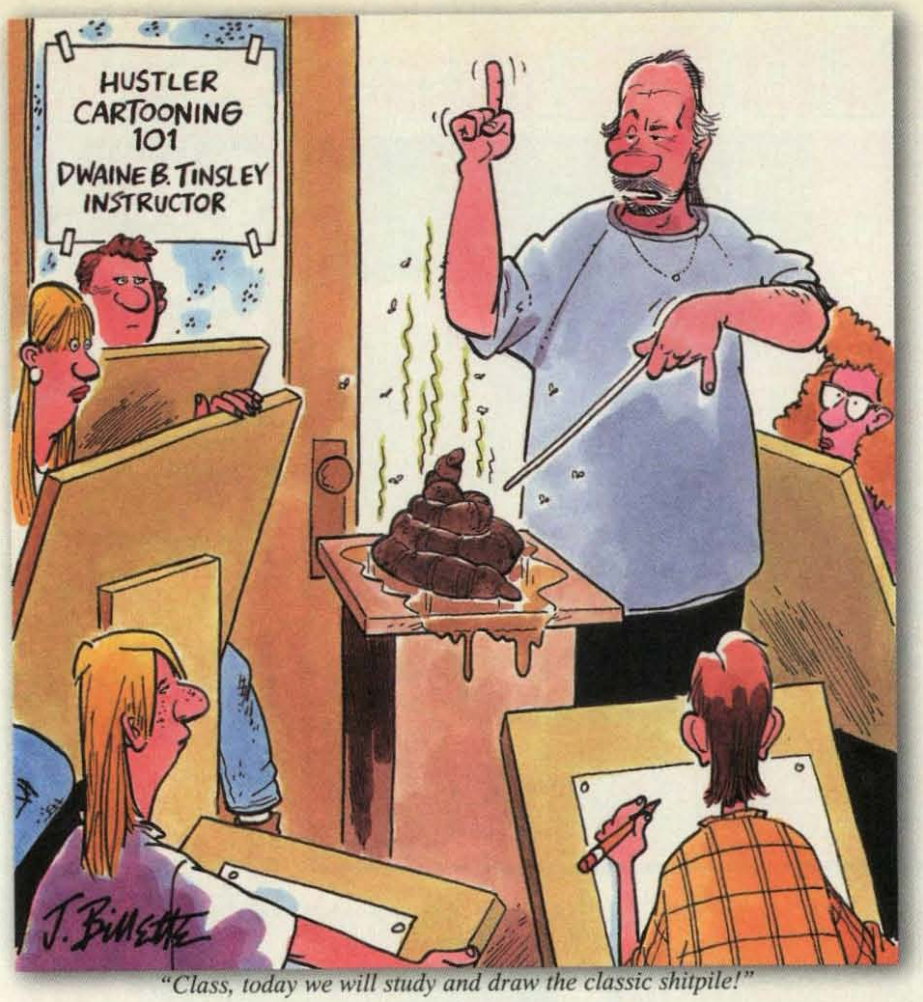




"We are here today to honor the memory of Dwaine B. Tinsley...."







"Class, today we will study and draw the classic shitpile!"

ents of Social Security benefits suffer a dollar-a-month cut so that the government can save money and more quickly pay off the national debt. A buck a month for a year would "save" $528 million, a seemingly staggering sum. Problem is, this money is not the government's to save. It lawfully belongs to those who have paid into the system through years of working their fingers to the bone—all in the name of making Wall Street rich and parasites such as Alan Greenspan even richer. Greenspan's concern for government frugality is touching but for the fact that it is as counterfeit as one of his unbacked Federal Reserve Notes. I therefore nominate Alan Greenspan Asshole of the Month for his shitty treatment of the poor, old and otherwise marginalized. —B. H.

Way to stay vigilant. HUSTLER loves training its sights on money-hungry politicos, wrongheaded pundits and any other manner of bung-wipe that mouths off in the name of "prosperity" without paying mind to the hardworking souls that make up the foundation of this country. While stock gurus, economic experts, the mainstream media and legions of dimwitted armchair investors call Alan Greenspan the most powerful man in America, we at HUSTLER, like you, call him Asshole.

Eager for Beaver

Who do I need to talk to about some porn-star action? I would like to make some porn movies. I'm a six-foot-tall male with blue eyes, and I have a great body. Let me know if anybody needs a stud for their movie, because I'm rarin' to go. —E. S.

The porn racket's a tough business to break into. If you really want to make porn, follow the lead of indie filmmakers such as those Blair Witch Project dudes. Grab a camera, lube up your schlong and create your own movie magic.

Fruit of the Loon

I collect ladies' panties. I usually steal soiled undergarments from my drinking buddies' bathrooms or wherever their wives leave lingerie lying around. Here's five bucks. There must be at least one pair of used panties lying around the HUSTLER office. If not, treat yourself to a couple of Cokes on me. I was also wondering if any other readers like to eat bloody pussy. I admit that when the period has just begun, the climate can be pretty stifling between the legs, but three or four days into the period, the flow tapers off into a light stream. This is when one can savor the taste of milady's charms. For those who have yet to sample this type of fare, the taste is not unlike rare roast beef and egg yolk. So, HUSTLER, how about showing some bloody pussies? I look forward to seeing them in future issues. —J. H.

Thanks for the soda money. You'd be surprised how quickly stray undergarments are snapped up around here. We can help you with your other fetish though. TRACY

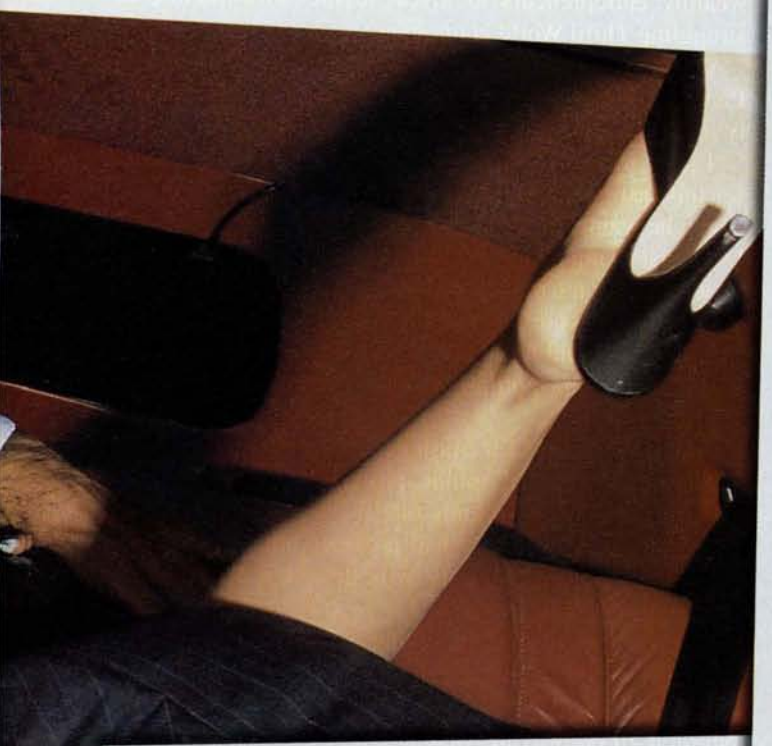
DEEP INSIDE THE BODY POLITIC

PHOTOGRAPHY BY CLIVE McLEAN



It's a story that has repeated itself at every level of government and in every political era: An attractive female intern finds herself in the company of a grizzled, pompous Washington insider. The Beltway buffoon promises to mentor the idealistic lass and introduce her to the rich and powerful—in short, to put her on the right track to a life in politics. In return for his help, the pork-fattened sore on the body politic asks for only one thing: sex.

Tracy, the focus of November's feature pictorial, numbers among countless young women who've had their aspirations deep-sixed by Washington's inability to keep its collective fly zipped. Growing up in Holland and Australia, Tracy looked to America as a land of opportunity. Eventually making her way to the States and earning a degree in political science while a student in Washington, D.C., Tracy hoped to build a career in international politics. During her studies, Tracy interned for Ted Kennedy on the Hill in return for school credit. Soon after graduating, Tracy landed an internship at an institute dedicated to international policy. Her first employer illustrated what is expected of an attractive young woman on the Hill.

"He's like, 'Well, I'll pay you $200 to go to the Capitol...$2,000 if you sit on my lap,'" Tracy explains. "It's just basically how they are. They're old men."

While fending off the advances of her boss, Tracy continued to work for the institute, trying to raise money from wealthy entrepreneurs to invest in the infrastructure of struggling Third World economies.

A chance meeting with Jack Valenti, head of the Motion Picture Association of America, seemed like an opportunity to involve a high-profile figure with the institute.

"I gave [Valenti] my business card and told him I work for this institute, and he invited me to his office. But then again, he wanted to come over to my apartment with wine. I was just trying to get him to join this institute, but instead he would give me money and want—you know. They want you as a mistress or this kind of thing. I just thought it was inappropriate, and I told him. I was wearing full suits, and I said, 'This is inappropriate. I'm not a prostitute. You're not hiring me.'"

Valenti, a HUSTLER Asshole of the Month alumnus, censored the original movie poster for *The People vs. Larry Flynt* on the grounds that it was "borderline salacious," but he apparently had no reservations about promoting salaciousness on his own, despite a decades-long marriage and three children.

"He asked me to do sexual things," recounts Tracy of her meetings with the septuagenarian national censor.

"I'd go to see Mr. Valenti, I'd wear this Chanel suit. I'd button it all the way up, and he'd just be, 'Can I just...you excite me!' and he'd grope me. I'd be like, 'What are you doing?' Or he'd ask, 'Can you do *this* to me?' It was really bizarre."

It is unclear what rating Valenti's own motion-picture rating system would give to footage of the oral favor he received from Tracy.

"I wish he'd given the money to join the institute. Instead, he'd give me the money and tell me to put it in my purse."

Valenti wasn't the only public moralist to privately display his hypocritical stripes to Tracy. Listen as Tracy describes cable-TV windbag and former Nixon crony Ben Stein's attempt to weasel his way into Tracy's businesswear. "I was coming from a meeting at the Four Seasons in Washington, D.C., and he made a beeline to me. I said, 'Oh, I'm from this institute...' He said, 'I would pay you thousands of dollars if you'll come fuck me.' It made me feel really bad about myself.

"Mr. Stein said that if I came out here, to California, he'd put me up as a mistress, and I could meet some people in the industry."

Ben Stein has a history of bending his conservative convictions to his own advantage. Discussing Gary Hart's relationship with Donna Rice on CNN's *Crossfire*, the future game-show host was asked if a candidate's private life has any bearing on what he does as a public official. "Absolutely," Stein responded. "If you have a presidential candidate who is having a different girlfriend every week or sometimes a couple of times a week for 12 or 14 years, you have a person whose mental health is at issue." During a later appearance on *Crossfire*, when asked whether he felt the media were behaving fairly in pursuing the subject of a possible illicit relationship between Dan Quayle and Paula Parkinson, Stein contradicted himself and spewed,

"Absolutely not. I think that if they started going after all the presidential candidates on the subjects of their sex lives, they could really talk about very little else. I think it's just a very dangerous subject for the Democrats to open, or for anyone to open, and it's a complete irrelevancy as well." The question remains as to how relevant Stein's own behavior is to his marriage.

"What's pathetic is that a lot of them have daughters that are older than me," Tracy adds while preparing to shoot her HUSTLER cover. One example is her former boss, Ted Kennedy. Tracy recalls crossing paths with the sly Massachusetts senator during her internship in his offices. "He was talking to someone, saying, 'Good to see you!' and when I came out, he immediately followed me to the bathroom. I just ran to the bathroom and shut the door. He went 'Ahem, ahem, *ahem!*' and called [out to] me because he wanted me to turn around. I didn't want to have a problem; so I just ran into the bathroom and hid."

An encounter with actor/road hazard Gary Busey convinced Tracy that the born-again Promise Keepers mouthpiece is still more attracted to young women than the Holy Spirit, or his wife. Busey, whose wife once nicknamed him "Gary Abusey," claims that his membership in the Promise Keepers has freed him of addiction and brought him peace. According to Tracy, however, Gary is not free from acting on the impulses of a raging hard-on. Busey's chats with Tracy often focused on the nature of faith and belief, punctuated with pleas from Gary along the lines of, "Please, let me just lick it!" and desperate gropes. Tracy adds that Busey never made good on his promises to take her to prayer meetings.

Despite her regrettable encounters with a variety of high-profile buffoons, Tracy explains that her decision to do this pictorial is not the result of a grudge. "I'm doing this for peace. I feel like it's kind of a fun and slapstick thing, and if they're not going to take me seriously, why should I take them seriously?" Mark Twain wrote, "Against the assault of laughter nothing can stand"; Tracy's tongue-in-cheek pictorial is her humorous, explicit way to deflate the tired pretensions of the loose-zippered old men she's encountered.

And why HUSTLER?

"I like Larry Flynt. I remember I took a law class, and we studied his First Amendment experiences. If I'm going to do any nudity or modeling, it would be for someone I agree with. I feel like his approach to political figures is right on target. He's right."

While her experiences in Washington have cooled her aspirations for a political career, Tracy is not bitter about the future. "I was just disappointed with American politics at the top. I've been fortunate in that I've been able to meet such important people, even though I didn't grow up here."

Even so, Tracy opines, "I feel that they should change. Maybe when they die off, because they're so old anyway, the new generation will have better attitudes."

We hope so too, Tracy.

JEANNA FINE TELLS THE FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

HEAD GAMES

It takes me forever to bust a nut when my girlfriend's giving me a hummer. Can you pass along any tips or techniques to help speed up the process? —C. D.
via Internet

You are your own best judge. Whatever it takes for you to blow your load when you're masturbating is probably the best way for your girlfriend to make it happen. I consider a blowjob nothing more than a sloppy handjob with lubrication pit stops, plus occasional tongue-flicks and deep-throating to add the element of surprise. Try mutual masturbation to learn more about pushing each other's buttons, and make every sexual experience a gusher.

WRIST DEEP

My wife and I are curious about your opinions on fisting. Do you think that we'll see more of the practice in XXX videos now that Patrick Collins has broken the finger barrier? Would you consider doing a fisting video? —J. W.
via Internet

For the longest time, it was advised that the XXX community stay as far away from fisting as possible. We couldn't even allude to the act. Now that the border's been crossed, couples finally have a visual guide available to them if they want to experiment with fisting, which can only be a good thing. I haven't done a movie in three years, but I've ruled nothing out; so stay tuned, and you may have the perfect opportunity to see how deep my costars go.

JILTED FLOWERS

Since March of 1992, I've been giving roses to the adult-video starlets who feature at a gentlemen's club in my hometown. Lately I've noticed a disturbing change. More and more of the dancers tend to be very blasé and give attitude to their adoring fans. I recently overheard one of the women say, "I could've used the money instead of the fucking flowers." What's the deal? Should I drop my practice of giving bouquets and throw cash at the ladies like everyone else? —C. T.
Holland, Ohio

I've noticed this trend coming on for years, and I'm mortified by it. I'm terribly sorry that you've suffered indignities at the hands of these "entertainers." I try to distinguish myself from the other "creature features" (that's what most gentlemen's club employees call feature dancers behind our backs) by displaying poise and class whenever I can. Someone should tell these haughty prima donnas that if you want to be treated as a superstar or a diva, crawling on your hands and knees scrounging for dollars isn't the way to go about it. I hope that this tendency toward rudeness and greed comes to an end soon. Until then, keep an eye out for my visit to your hometown. Bring a flower and expect a kiss and at least five or ten minutes of my undivided attention, because without you, I'm nothing.

CELL BLOCKED

Here in the lockup there's not much to do besides watch TV, work out and jerk off. I've been masturbating for 14 days straight and discovered that when I lie on my back, facing my celly's bunk, I can orgasm without blowing a load. I feel the same intense sensation of coming, but I don't ejaculate. My erection returns after ten minutes; so I can do it again and again. I was wondering: Will this same method work with chicks when I finally walk? Also, is this bad for my health? Am I gonna screw up my nuts by holding back two weeks' worth of jizz? —A. J.
Beaumont, Texas

It's not healthy to continually orgasm without ejaculating. In fact, splooge that squirts into your bladder instead of all over the sheets is often a symptom of diabetes. If you are physically holding back

Shrink Wrapped

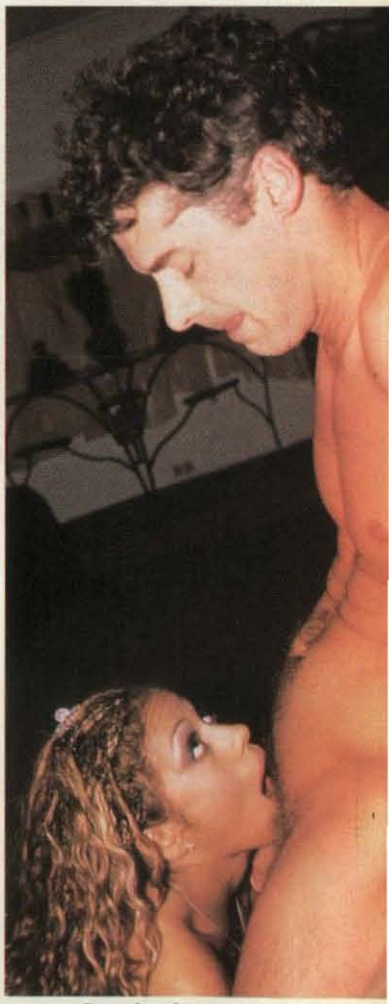
FULLY ERECT

Directed by James Avalon; starring Alexa Ray, Charlie Angel, Cheyenne Silver, Chocolate, Mattie La'Mae, Dee, Blair, Tina Cheri, Brigette Kerkove, Evan Stone, Herschel Savage, James Bonn, Mark Davis, Brandon Iron, Chris Cannon, Brian Surewood, Rance Midnight and Ron Jeremy. Videocassette: Metro.

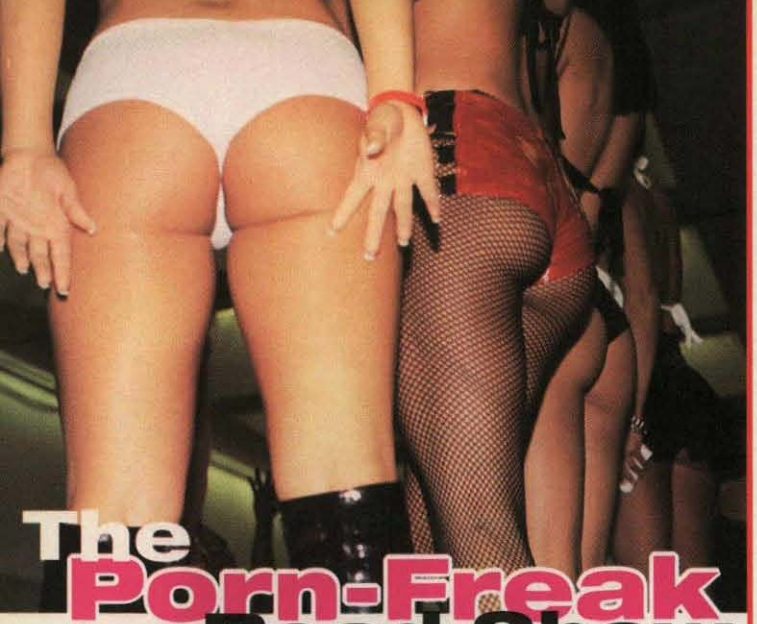
Shrink Wrapped is an airtight fuck flick vacuum-packed with fresh pussy juice. Alexa Ray stars as a savory porn star whose grasp of reality has unraveled. While playing a psychiatrist, the busty mental case snaps, believing that she really is a shrink and not a paid slut. Ron Jeremy, Alexa's agent, tries to patch up the situation by offering the film-in-a-film's director, Herschel Savage, a replacement for the unstable Alexa. Cheyenne Silver auditions for the role by mounting Savage's dingus. The statuesque cockhound's peaches jiggle with Savage's pounding fury. Cheyenne frantically jerks her nubbin, pausing only to hawk organic lube onto her fingers. Every scene sizzles, and the stars glow under tasteful natural lighting. A refreshing, carnivalesque soundtrack adds an appropriate sense of whimsy to the lighthearted narrative. Best of all, every girl gives one hundred percent when tackling dick. Brigette Kerkove taking Jeremy in the tailpipe while munching on Tina Cheri's bleach-blond muff is truly a sight to behold. *Shrink Wrapped* is a tasty treat, sealed with every flavor that makes hot porn so delicious. —*Nicholas Veridian*

Chocolate deals with the devil.

Sac-milking—Silver's favorite pastime.



Dee develops a new move, the Chin Job.



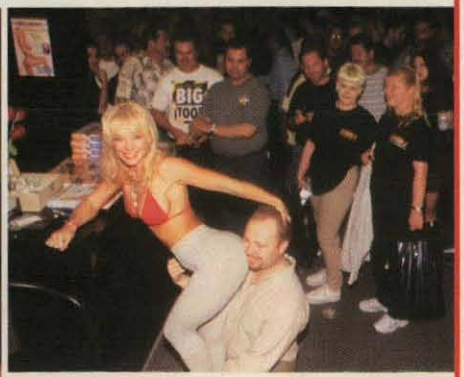
The Porn-Freak Road Show

Fans Shop a Bazaar of (Mostly Covered) Flesh

When the doors opened to the Los Angeles Convention Center on June 2 for the opening day of Erotica LA, the only adult-industry event open to the general public, a swarm of blue-screen aficionados were armed with cameras of all shapes and sizes, eager to snap shots of their favorite starlets. Temptress, Krysti Myst, Stephanie Swift, Serenity, Tara Patrick and Kim Chambers were among the dozens of professional girls in attendance. On each day of the weekend-long event, whose motto could well have been "we make stalking easier," throngs of mooks lined up for autographs or simply encircled the photogenic lasses, their telephoto lenses standing at full attention.

Despite the seemingly combustible mix of skin stars, insistent men and hundreds of primed flashbulbs, very little illicit flesh saw the fluorescent light of the convention hall. (Perhaps the LAPD-posted sign reading FLASHING IS ILLEGAL; IT WILL NOT BE TOLERATED AT THIS EVENT was enough to deter the more literate elements in attendance.) Only one incident, an airing of Tina Toy's pussy that was more bush than twat, inspired undercover officers to enforce their "zero-tolerance policy." The resulting shutdown of the Adult Industry Medical Health Care Foundation (AIM) booth, for which Toy was signing, created only a minor hiccup in the fan-friendly gathering.

Innovative displays exhibiting cutting-edge dildos, vibrators, latex body paints and other 21st-century boudoir toys were a welcome antidote to the monotony of video-hawking booths and mobbed signings. Frank Reich, vice-president of Finger Fitting Products Inc., was on hand to demonstrate the Fukuoku 9000 (pronounced just as it's spelled), a finger-mounted vibrator whose ingenious TV infomercials proclaim that the device "goes anywhere your fingers go." Contrary to all the lip service given to the mainstreaming of hard-core, Reich relayed evidence of a puritanical backlash against his suggestive spots in the form of viewer complaints. "We changed the name to Fuzuoku for the commercials," the sexual-aid entrepreneur shrugged, commenting that the buzz on the device is still quite strong.



Crowd-pleaser Nina Hartley dances cheek-to-cheek with a fan (above); Rod Fontana boosts Bridgette Powerz (left).

White Trash Whore #16

THREE-QUARTERS ERECT

Directed by Jim Powers; starring Kelsey Heart, Mirage, Damien Michaels, Jay Ashley, Dave Hardman, Rick Masters, Brian Surewood, Tony Eveready, Cuba, Julian St. Jox, Lucky Star and Weed. Videocassette: J.M. Productions.

Kelsey Heart fucks her way around the trailer park in *White Trash Whore #16*. Angry that her husband's buds have set up a makeshift meth lab on her property, Kelsey lashes out by fucking another man. "The only thing I like better than sucking cock is drinking beer," the blond tramp proclaims as she swallows a scummy loser's blood sausage. Mirage plays a tweaker who's so whacked out that she tries to fish in Kelsey's decrepit swimming pool. Mirage's grease-monkey boyfriend drags the dazed tramp back to his broken-down Winnebago, where he and a pal tag-team the winsome junkie. Mirage gobbles both pricks, then succumbs to a marathon double penetration that culminates in a flesh-stretching vaginal cram. Mirage's cooze only receives a break when the hicks take turns on her shitter, pumping until her twat queefs compressed air. Watching the depraved gutter antics of Mirage and Kelsey is more fun than huffing freon. *White Trash Whore #16* is a cum-soaked send-up of redneck living that tickles the funny bone and stiffens the prick.

Best Friends

HALF ERECT

Directed by F. J. Lincoln; starring Juli Ashton, Keri Windsor, Felicia Ryder, Maya Devine, Heaven Leigh, Rene LaRue, Evan Stone, Jon Dough, Randy Spears and Chaz Vincent. Videocassette: VCA Pictures.

Best Friends tries to shoehorn a story about male/female relationships into a hard-core fuck film and fails miserably. Evan Stone plays an uptight dude counting the minutes until his wedding day. Buddy Jon Dough takes Stone to California to show him a good time, dumping the hapless fool in the hands of his porn-star friends. Juli Ashton and Keri Windsor try to convince the stiff to loosen up, but he resists. The lezzies have a blast without him, sucking and finger-fucking twat in a lively carpet-munching scene. Evan finally gives in, plowing Maya Devine's cooze while a gaggle of drunken bachelorettes egg him on. Later, Stone bangs Juli, then decides that he's fallen in love with the starlet. Luckily, cooler heads prevail when Ashton ditches him in a Michigan hotel room and Stone returns home. In the final scene, Evan recants, romancing fiancee Heaven Leigh. Pinning Heaven's leg over her head, Stone crams his rod into her virgin shitter, all the while whispering sweet nothings into her ear. Too bad the film's half-assed plot is laughable, improbable and totally useless. As in real life, sometimes *Best Friends* should just shut the hell up and fuck. *—N. V.*

Playing Cupid

HALF ERECT

Directed by Jerome Tanner; starring Bunny Luv, Sophie Evans, Lola, Ava Vincent, Samantha, Mia Smiles, Evan Stone, Mark Davis, Dillion Day and Tice Bune. Videocassette: Legend Video.

Playing Cupid casts Bunny Luv as Amoretta, the sister of Cupid. The minor goddess and major slut visits Earth to learn about love, but she quickly discovers that fucking is more fun. Luv's earth-bound experimentation starts when she nails Samantha with one of her magic arrows. The pair slurp cooze, then strap on schlongs for a raunchy coochie bang. Evan Stone, playing Luv's mortal foil and love interest, doesn't need a shot from Cupid's quiver to inspire him to screw the fallen angel. The couple fuck with earth-shaking intensity, exchanging intense gazes as they bump uglies. Despite this and other solid showings from Sophie Evans, Lola and Ava Vincent (formerly Jewel Valmont), this flick suffers seriously from a case of Ed Wood syndrome. As a parody of the terrible production values, acting, editing and music that infect pornography, *Playing Cupid* would be a bonafide masterpiece. The filmmakers don't deserve that much credit. *—N. V.*

WHITE TRASH WHORE #16: Slumming and slutting with Kelsey.

BEST FRIENDS: Dough puts Ryder over a barrel.

PLAYING CUPID: Davis checks Mia for swollen lymph nodes.

Sinister Sex World

HALF ERECT

Directed by Alex Ladd and Zoltan; starring Sophie, Nikita, Giena, Fanny, Linda, Pamela, Carmen, Rony, Leonardo, Tony Rebis, Evan Stone and Chris Cannon. Videocassette: Sin City.

Purporting to be a globe-trotting exposition of foreign cooze at its finest, *Sinister Sex World* is a disappointing trip. The fact that directorial duties are split on this feature betrays this flick's hobbled-together nature. Jumping straight into the action, Nikita, a looker with jet-black hair and a panther tattoo, frantically gobbles a couple of schlongs. The trio samples a menu of standard positions, but thanks to the leather-clad Nikita's hellcat performance, the rotation tickles the right nerves. Sophie follows with an energetic screw. Running the show from on top, the slutty blonde repeatedly slips prick from cooze to ass and back again. After an anal piledrive, Sophie begs for cream, but shaky camera work all but misses the blessed facial. A jarring shift to tacky hotel-room interiors and lackluster, Eurotrash shagging is more frustrating than being stuck in customs. Not even awe-inspiring Spaniard Carmen is enough to save this stinker. *Sinister Sex World* should have been a joyous passport to international twat, but because of shoddy workmanship and bottom-of-the-barrel filler, it misses the boat. —*N. V.*

Initiations #3

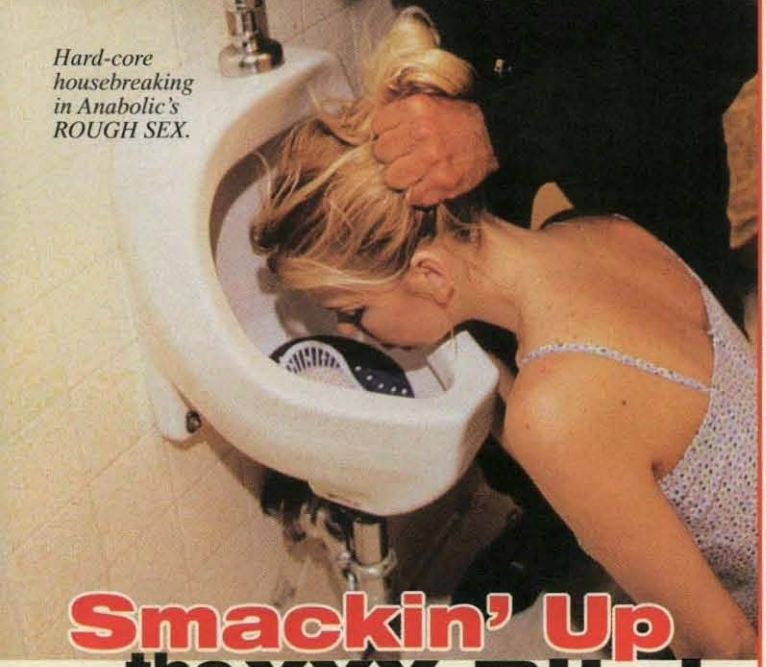
THREE-QUARTERS ERECT

Directed by Vince Vouyer; starring Lee, Mercury, Mei-Yu, Adriana Sage, Samantha, Belladonna, Gina, Justine Romee, Mario, Mickey G., Jon Dough, Mark Davis, Vince Vouyer, Eric Everhard, Rich Handsome and Lexington Steele. Videocassette: Anabolic Video Productions.

Anabolic finds out just how bad a bunch of cock-loving newbies want to be a part of the gang in *Initiations #3*. Forgoing the auditioning process altogether, director Vince Vouyer and his crew of usual suspects put eager, young snatch through its paces in a sweaty rite of passage that these girls will never forget. Each candidate is blindfolded and subjected to a wide array of prick torture. Standouts Samantha and Adriana Sage earn kudos for their exuberant performances. Samantha, a slender cooze with stringy, blond hair, gags herself on Jon Dough's prick, relishing the backed-up bile that the crotch wand conjures. Samantha spanks her slobbery face with Jon's rod, teabags his nuts and tongue-fucks his hairy ass. Beautiful, olive-skinned slit Adriana takes on three pricks for the flick's finale and proves that she can run with the big boys. Her lithe figure arches while her shapely ass rises and falls to meet the rods slamming her holes. When slutty gang-bangers such as Samantha and Adriana go buck wild, *Initiations #3* is a ritualistic joy. —*N. V.*

SINISTER SEX WORLD: International twat Sophie's foreign tongue.

INITIATIONS #3: Anabolic's take on the Pepsi Challenge.



Hard-core housebreaking in Anabolic's ROUGH SEX.

Smackin' Up the XXX Bitch

Porn Flirts With Rough Stuff

During the rough-and-tumble '70s, hard-core rape fantasies and violence were common in adult films. In a preemptive action against outside censorship, smut producers later created a set of unwritten laws prescribing just how far XXX auteurs could go. Years of industry prosperity followed as trash peddlers cranked out kinder, gentler porn under the self-imposed guidelines.

Now, a new breed of daredevils is challenging the status quo with exceedingly risky fare for the Bobby Knight in every masturbator. Even in flicks from the most mainstream adult-film companies, actors such as Bobby Vitale can be seen pinning their costars in submission holds or hooking their fingers into the girls' mouths while violently pounding their twats.

Many attribute the late Bruce Seven with first bending the boundaries in the mid to late '80s. The famed bondage-tape producer's dungeon videos featured the rare sight of women being shackled and screwed. Seven played it somewhat safe, though, by using Velcro cuffs, which easily, and sometimes accidentally, came undone during sex.

A crueler strain of hard-core has evolved. While bereft of explicit sex, Redboard Video's *Torment* line dishes out psychological torture that would've made John McCain's Vietnamese captors proud. Jamie Gillis hurls unheard-of levels of verbal and physical cruelty at stunned starlets such as Jewel Valmont and Vivian Valentine. *Rough Sex*, a recent short-lived series from Anabolic Video Productions, mixed choking, spanking and all manner of abuse with traditional pussy-pumping scenes.

A common theme in both series is the inclusion of teary-eyed actress breakdowns; a genuinely shaken Valentine cuts her *Torment* scene short, weeping and demanding that the camera be turned off, while Regan Starr's appearance in *Rough Sex #2* ends abruptly when the aggressive action proves too much for her to handle.

The new, slaphappy porn zeitgeist aside, many felt that the *Rough Sex* tapes went too far; responding to public outcry, Anabolic voluntarily pulled them from video-store shelves. Still, Khan Tusion, the series' director, believes that such product maintains a certain appeal. "It's really about the erotic appeal of power," says Khan Tusion. "Those that are dominant tend to express that power in physical or verbal abuse." If demand for Tusion's hard-hitting power trips is any indication (despite the recall, Anabolic still receives requests for the *Rough Sex* tapes), fans might soon see other previously cautious companies opening their own cans of whup-ass.

"Look at me when I'm fucking you!"—putting the squeeze on Amia in ROUGH SEX #2.

Purity & Innocence

ONE-QUARTER ERECT

Directed by Lizzy Borden; starring Ashlyn Gere, Krysti Myst, Jessica Jewel, Angelica Sin, Luciano, Brandon Iron, Backey J and Rich Handsome. Videocassette: Extreme Associates.

Pushing the envelope of downer porn, Lizzy Borden's *Purity & Innocence* purports to be the farewell of jizz-queen Ashlyn Gere. Ashlyn still sports one of the tightest little bodies in the industry. It's a shame that the first 15 minutes of her swan song are devoted to her and on-screen hubby Luciano emoting hysterically over the death of their infant son. When Ashlyn can't find solace in cocksucking, she retires to the bathroom to lose herself in pills and a hot soak while Luciano crawls into a liquor bottle. Ready to whack yet? The stroker is then "treated" to the couple's fevered nightmares. Ashlyn's ass is ferociously fucked as she braces herself on a blood-spattered cradle. Luciano dreams of a perverted children's birthday party where he fucks Jessica Jewel and Krysti Myst before suffocating them with garbage bags. Despite a smoking latter scene with Gere and Brandon Iron, Ashlyn's outstanding acting and fucking skills can't save the viewer's chubby from *Purity & Innocence*'s Grim Reaper mentality. *—Clive Thurstwood*

Call Girl

ONE-QUARTER ERECT

Directed by Antonio Adamo; starring Silvia Saint, Lisa Crawford, Briggite, Caroline, Kate Moore, Monica Sweetheart, Vivien Martines, Bruno Sx, David Perry, Eric Leroi, Frank Gun, Franck Major and Richard Langin. Videocassette: Private/Penthouse Movies.

Sacre bleu! A joint venture between *Penthouse* magazine and Private Video has spawned a shittily shining example of impenetrable Europorn. Antonio Adamo blows his directorial wad with gauzy, soft-focus shots of smoldering golden girl Silvia Saint, a high-priced callgirl, being interviewed by a Frog hack who's doing an investigative report on sex. A smug sense of cultural superiority oozes out of each D.P. and permeates every discotheque orgy. The international jizz queens all have outstanding, implant-free figures and raunchy appetites for sex. Sadly, every artsy-fartsy montage and poorly dubbed expositional scene drains the blood from the viewer's bone. Loads of cash obviously went into the production, with sets, costumes and editing that would put most HBO movies to shame. Still, the bells and whistles take away any immediacy from the fucking and sucking. Even with all the stunning slits on display, it's still not worth procuring this *Call Girl*'s number. *—C. T.*

The Bride of Double Feature

HALF ERECT

Directed by Jonathan Morgan; starring Serenity, Tabitha Stevens, Asia Carrera, Daniella Rush, Tasha Hunter, Mickey G., Kyle Stone, Mike Horner and Randy Spears. Videocassette: Wicked Pictures.

Campy porn is back from the dead in *The Bride of Double Feature*. This cheerfully goofy stroke vid boasts excellent production values and a detectable sense of humor, qualities which have their pros and cons. Watching Randy Spears gouge Tabitha Stevens's twat from behind in a mock preview for an imaginary B movie called "Bullets, Broads and Bathtub Gin" is funny for almost an entire second. The care put into making the previews look like they were shot on grainy, black-and-white film is admirable, but this is a stroke vid, not a Zucker Brothers flick. Of the two longer film parodies, the noirish "Stab in the Dark" fares better because Asia Carrera rocks. Decked out in a shaft-stiffening French-maid outfit, Carrera opens up to Spears's tough-guy private dick, swallowing cock and squealing as she fucks. It's a letdown that this beauty opts out of a facial finale and simply jerks Randy to a sticky finish on her milkbags. As a matter of fact, most of the jizz queens on display avoid splooge on their mugs. The assorted coozes do look great, but *The Bride of Double Feature* is too married to its comic pretensions to elicit fist-pumping applause. *—C. T.*

PURITY & INNOCENCE: Krysti and Luciano display neither.

CALL GIRL: Silvia Saint on the horn.

THE BRIDE OF DOUBLE FEATURE: Fuck the popcorn—try Daniella's hot, buttered twat.

THREE-QUARTERS ERECT

Directed by Robby D; starring Giselle Yum, Jane Lix, Syx, Tavalia Griffin, Ryan Conner, Rene LaRue, Carmen, Misty, Shay Sights, Oliver, Miles, Dillion Day, Vince Vouyer, Tony Ribas, Eric Everhard and Pat Myne. Videocassette: Vivid Raw.

Never mind the marginally homoerotic footage of studs rolling around on exercise mats—*Action Sports Sex #8* provides a thorough workout for any straight-thinking blue-veiner. After a slow warm-up featuring Pat Myne jacking off on Giselle Yum's sizable fun bags and the aforementioned, testosterone-heavy martial arts tumbles, *A.S.S. #8* breaks a healthy sweat. Self-proclaimed kung-fu master Jane Lix informs affable meathead Eric Everhard that she's "a horny bitch." Eric catches the hint and fucks Jane's shit rings until they open up like the maw of an insatiable monster. A six-person orgy offers an outstanding cardio workout, thanks to hungry cock gobbling and frenzied fucking from Tavalia Griffin, Ryan Conner and Rene LaRue. Busty sports enthusiast Shay Sights walks in while Carmen and Misty are being drilled by Oliver and Miles. Always a team player, Shay joins in to tone her ginch on a stiff tummy stick. The only drawbacks to this fitness regimen are the lack of screen time for Shay Sights and the director's propensity for babbling inanely from behind the camera. Otherwise, *Action Sports Sex #8* is a complete knockout. —*C. T.*

Dirty Dancers #18

ONE-QUARTER ERECT

Directed by Luc Wylder; starring Alexandra Silk, Heaven Leigh, Lita Chase, Jody Ryder, Lyssa Luck, Reál Good, Jay Ashley, Blake and Jake Ryder. Videocassette: Fallen Angel.

Throughout *Dirty Dancers #18*, Luc Wylder continually reminds viewers how gnarly its sexual antics are. It's a good thing, too, since the four feeble scenes of couple-oriented carnality fail to convey the same message. The skags featured are all attractive for porn chicks, with pretty newcomer Jody "no relation to Jake" Ryder standing out, but none of the flick's sex is sufficiently crotch-tightening. Granted, there are occasional filthy laughs, such as the spooge squirt that Jody catches in the left eye from Jay Ashley's blood sausage. When Jake Ryder shoots his wad inside Lita Chase, Wylder asks the cum-catcher to squeeze the spuzz out of her clam. Lita strains to no avail and gives up. "Now I have to pee," she moans. Viewers will groan louder when they learn that Wylder doesn't bother to document Lita's spermy tinkle. Alexandra Silk shows up for a routine threesome with Heaven Leigh and Leigh's hubby Blake. Dancing duo French Kiss (a/k/a Reál Good and Lyssa Luck) supply the requisite lesbo action for this sorry spank. Missed opportunities and boring shags trip up *Dirty Dancers #18*. —*C. T.*

DIRTY DANCERS #18: Heaven and Alexandra, prima ball-erinas.

CUMBACK PUSSY #29: Lita checks out Mirage from a turd's-eye view.

Cumback Pussy #29

HALF ERECT

Directed by Dion Giarrusso; starring Alexxxis Tyler, Regan Starr, T. J. Hart, Jeannie Rivers, Kelsey, Mirage, Lita Chase, Alexandra Quinn, Lexington Steele, Nacho Vidal, T. T. Boy, Mark Davis and Tice Bune. Videocassette: Elegant Angel.

Eight girls, six scenes and one cavernous asshole are the familiar charms of *Cumback Pussy #29*. Alexandra Quinn starts off by taking on Lexington Steele's titanic jungle meat. Alexandra's slatternly appeal will stiffen any man-root as she gamely tries to stuff Lex's signature feature down her throat. After lots of giggling, gagging and slurping, the bubbly tramp crams the engorged member all the way into her bottomless snizz. Alexandra yelps ecstatically as she rides the bucking stud until her pussy is stretched to the limit. Next, T. J. Hart briefly shows off her tight body and tan lines before Mark Davis scours her shit pipe with his uncut sausage. Hart whimpers feebly as Davis relentlessly digs for fudge. Anal maniacs are treated to an up-close look at Hart's yawning colon as Davis hoists her into the air before rounding out the routing with a little rough play and choking. The rest of the vid is more run-of-the-mill, with scenes such as Alexxxis Tyler enduring wrestling moves from Ritalin-child T. T. Boy. To be fair, the opening scenes of *Cumback Pussy #29* are a tough act to follow; they're the ones sleazehounds will come back to. —*C. T.*

Dear Slut

Mixing bodily fluids with bloodlines is dangerous, foolhardy and genetically disastrous. Hopefully a trained professional will be able to convince her that blood is thicker than cum.

the flow of whaz by gripping the base of your cock as the semen tries to escape, you could be causing yourself physical harm. The fact that you're facing another dude while you're whacking could play a role in your dick's reluctance to spew. Perhaps the subconscious idea of blasting ball batter at a guy puts a damper on your ejaculatory capabilities, even if a mattress separates the two of you. If your dry orgasms are just a God-given skill, congrats. Only time will tell if this method will work on the outside. My advice is to let 'er rip every once in a while, just to clear the pipes.

BROTHERLY LOVIN'

I have a real problem. My girlfriend wants to hook up a threeway with her brother. I've known for some time that the two of them screw. The last time I went down on her, she giggled and told me that I was slurping on her brother's sloppy seconds. Now she's pressuring me into joining in on their incestuous trysts. What should I do?

—R. S.
via Internet

Run, don't walk, to the nearest exit. Mixing bodily fluids with bloodlines is dangerous, foolhardy and genetically disastrous, not to mention the psychological ramifications. Sooner or later, some serious repercussions will be felt because of this relationship. Urge this woman to seek counseling. She obviously has some issues regarding men. Hopefully a trained professional will be able to convince her that blood is thicker than cum.

READY TO STRAY

I'm 26 years old, and I can't stop thinking about sex. My girlfriend doesn't like to screw as much as I do; so I'm usually stuck whacking off, and it's just not cutting it. Lately I've found myself watching the field for chances at outside sexual encounters. I haven't cheated yet, but I'm worried that if the opportunity arises, I'll grab it. I love my woman and feel terrible about the prospect of fucking her over. What should I do?

—S. R.
via Internet

Bless you for realizing that an affair is a last resort. Tell your girl exactly what you told me, in a much more tender manner. Don't bring up your sexual discontent in the heat of the moment; instead, sit down while everything is going fine and let her know exactly what you're feeling. If she still doesn't sympathize, perhaps the relationship wasn't meant to be. Remember, though, true love isn't always about fireworks. After the rockets fade, there's still the matter of everyday life to consider. If you have all of the other aspects of a healthy relationship in place, perhaps you should consider learning to love masturbation and spare your relationship the drama.

PORN SLEUTHING

What ever happened to the '80s porn star Aja? She was the greatest. I can't find any information about her, and I'm forced to watch the same beat-up tape of her over and over. Her scene is etched in my brain in such detail, I barely need the videocassette anymore. Is there a resource I can use to discover the fate of past porn princesses and learn what they're up to now?

—J. M.
via Internet

For those of you who don't know, here's a recent-history lesson. Aja's an amazing brunette whose fabulous, four-year career (from 1988 to 1992) resulted in 80 well-received hard-core films. I had the chance to work with her in Only Game in Town and So Fine. After leaving XXX, Aja made a name for herself as a feature dancer and continues to strip. She currently lives in Florida. As far as porn-star reference guides go, despite the abundance of junky porn pages on the Web, you'd be surprised at the results garnered from a simple Web search.

BACK IN BLUE

Is the rumor about your return to XXX true? Are my eyes deceiving me, or will my crotch really be treated to a new dose of your delicious flesh?

—L. D.
Taos, New Mexico

It's true. Ooze, my first flick in some time, is an all-girl screw-fest featuring porn starlets who span the past four decades. I costar with 20 girls, including Gloria Leonard, Nina Hartley, Chloe and Lola, just to name a few. Check out my return to the blue screen on Odyssey Group Video, and let me know what you think.

TURKEY JERKY

I used to hate Thanksgiving. Without a nice girl to cook for me, I'd fritter the day away sprawled on the couch, inhaling bags of fried pork rinds and cans of Old Milwaukee by the case. Eventually, I'd nuke a turkey TV dinner, eat and pass out watching *The Sound of Music*. What misery! Then came Gianna. Gianna serves up enough roasted turkey and sweet-potato pie on Thanksgiving to kill a man. All the piping-hot pussy is just gravy.

Gianna is my neighbor. Amazingly, I was unaware of her splendid presence for months until we finally bumped into each other at the mailboxes. It was the day before Thanksgiving. Unshaven and reeking of Wild Turkey from the night before, I wandered smack into the gorgeous lady as she flipped through instant-credit applications. Her two billowy breasts bounced softly against my torso.

"Pardon me," the beautiful stranger breathed, diamondlike nipples scraping against my chest.

"*Guh*-hello," I stammered. I longed to place my hands upon the petite brunette's perky butt. Instead, I shoved my paws in my pockets and gawked like a buffoon.

"My name's Gianna," smiled the curvaceous sprite, extending her hand toward me. I was disappointed that her boobs were no longer rubbing me, but I settled for a hearty handshake.

"I've seen you around," Gianna continued. "You're always all by yourself. Are you lonely?"

The pretty lady's forwardness bewildered me. Women never spoke to me, much less asked personal questions.

"As a matter of fact," I confessed, "I'm quite lonely."

"Me too. I hate being alone during the holidays. Would you like to celebrate Thanksgiving with me tomorrow?" Gianna asked.

Words eluded me. I nodded my head affirmatively.

The next morning, I shaved, showered and even used mouthwash. I found a pair of pants and shirt without holes to wear. I remembered that I had a bag of oranges in the fridge; so I took those as a gift. When Gianna answered the door, I nearly keeled over. She wore red and looked like Alyssa Milano, only better. Her place was frilly, with everything colored white and coral. The air smelled of roses and cinnamon.

"These oranges are for you," I stammered, offering her the sack of citrus fruit.

"You're so sweet!" Gianna beamed. "Have a seat. Would you like a beer?"

I sat at the kitchen bar and watched in awe as Gianna reached into the icebox. Her tight, low-cut sweater offered an exquisite view of her soft, snowy peaks.

"I was just about to stuff the bird," Gianna announced, handing me a bottle of beer. "You look cute. Did you shave?"

I blushed and admitted that I had. My eyes wandered along the alluring damsel's lean, creamy legs. Gianna's short skirt accentuated her ass.

"Be a doll and lend me a hand with this turkey," Gianna chirped, sinking her mitt into a bowl of stuffing.

I stood behind Gianna, peering over her shoulder. I could smell her perfume and enjoyed a clear view down her sweater. My hands trembled with the urge to plunge into Gianna's bounteous cleavage.

"Note how I insert my hand, cramming the bread-crumb mixture into the turkey's body cavity," Gianna explained in measured, lascivious tones. "You could do that very thing, except you'd use your cock to stuff my pussy. Why don't you raise my skirt and see what you can do?"

Dumbfounded and utterly thrilled, I lifted Gianna's miniskirt. Her bottom was silky, round and firm. I gently parted the honey's protruding cheeks and gazed upon her rosy-pink asshole. I kneaded her milky glutes like dough, working my way to her slippery, hairless slit. I slid a digit into Gianna's flue; her moist cunt mus-

She angled her dripping pussy toward my rigid meat and pressed closer. The pink nether lips kissed my tool's tip. I reared back and plunged my peter into Gianna's gulch.

cles sucked softly on my finger.

"That's nice," Gianna purred, "but too small."

I dropped my drawers to unleash a furious boner and glided my wiener between Gianna's warm buns. She murmured and rolled her hips in slow circles. The saucy cook grabbed a stick of butter and lovingly anointed the turkey's skin.

"Rub it," Gianna sighed, caressing the fowl while rubbing her silky booty against my pelvis. "Rub it and stick it in."

I grasped the horny hussy's butt cheeks and squeezed, denting her pliant flesh. She angled her dripping pussy toward my rigid meat and pressed closer. The pink nether lips kissed my tool's tip. I reared back and plunged my peter into Gianna's gulch. The slippery walls pulsed urgently, tugging my turgid tater deeper within.

"*Yeahhh*," Gianna cooed, grasping the turkey's legs for support and pumping her pelvis. "*Mmmmm*, my twat's gonna gobble you up, cowboy."

My scrotum twitched, eager to release a giant glob of nut butter. I tugged the fluffy angora away from Gianna's bobbing bosom and clenched a tit in each hand. Gianna moaned, her body vibrating wildly as I pounded her poon and twisted her titties. She thrashed so violently, she wrenched the turkey's legs from its body. Unfazed, Gianna continued her ecstatic fit, shaking the disembodied drumsticks in her fists like a voodoo princess.

"*Fuuuck!*" I hollered, wrenching my willy from her thrashing snatch. Cock sauce exploded against Gianna's rear, basting her milky mounds.

"Poor turkey," Gianna giggled as shiny gobs of jizz dripped down her tenderized 'tocks.

I ate Gianna's pussy while she mashed potatoes and drizzled bacon grease over string beans. Fortunately, I still had room for dinner. That poor, mangled turkey tasted damned good. Honoring tradition, I passed out on the couch, only this time I used Gianna's dirtied shit pillows as cushions. This year, my cornucopia runneth over with cooze and cuisine. That is truly something to give thanks for. —B. P.

QUEEN BITCH

The life of a beauty queen is a hell of a lot harder than everyone likes to think. Scoff if you will, but pageants are *work*. High heels are a bitch. Taping up your tits is terribly uncomfortable. And sometimes, I'll admit it, I just don't feel like smiling. My existence is completely entrenched in the beauty circuit; I have no time for a personal life. I've all but given up on finding love. Men are totally intimidated because I'm incredibly pretty, and obviously, women hate my guts. Quite frankly, it can really suck to be me!

Fortunately, my dedication to the art of pageantry pays off. I won all five regional contests this year. Usually I don't worry about the competition because I effortlessly blow the other girls away. The little princesses can slather Vaseline on their teeth until they're spitting up hairballs, they still can't beat my winning smile. But a real stunner arrived on the scene recently, and she's giving me a run for my money. Her name is Mirabelle. She's about 12 feet tall, with skin to die for and the fullest, most glimmering head of hair I've ever seen. I fucking hate her. I also love to lick her flawless snatch. Mirabelle's a real bitch, but her cunt tastes like candy.

I first met Mirabelle in the dressing room before rehearsal for the Miss Best of Ohio contest. I always arrive at five o'clock in the morning so I have the space to myself. Early-bird Mirabelle pranced in at 5:05 like she owned the place. She sat her svelte ass down right next to me and proceeded to crowd my station with ten zillion cans of hair spray and pots of cream blush. There were rows and rows of seats and mirrors, yet the snatch insisted on taking over my area! I was momentarily stunned by her brazen behavior, not to mention her incomparable beauty, but I refused to be intimidated.

"Umm, excuse me, kitten," I hissed. "This is my space. No room for two."

"Sure, whatever you say," Miss Fancy Pants replied dismissively. She remained seated and removed her blouse and bra. I stared in astonishment as she sat topless and applied liquid foundation to her poreless face. Her breasts were as amazing as her audacity. This made me all the more livid, and secretly aroused.

"Step off, honey," I barked, standing up and slapping Mirabelle's shoulder. The blow caused the brat to smear blusher across her delicately sloped nose. She whipped her head around to glare at me. Her nose was bright red with rouge, her nostrils flaring with fury.

"Watch it, skank!" the banshee shrieked, leaping to her feet and bitch-slapping me so hard, I landed smack on the floor. I lunged for the brutish beauty's calves and pulled her onto the linoleum with me. Grabbing a generous handful of my fair enemy's shiny hair, I sat on her torso, pinning her arms down with my knees.

"Take it, whore!" I howled, slapping

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

Cunt Stunts

SNATCH MAGICIANS DAZZLE THE RABBLE AT COOZE CARNIVALS

BY RENI LAGORIO * ILLUSTRATION BY SUPERCORN

At a floor show in a second-story bar in Pat Pong, Bangkok's red-light district, a pair of Thai hotties sashay on stage completely naked; one girl carries a brandy snifter, and the other bears a bottle of water. The first female places the snifter on the floor and steps away; her companion squats over the glass and squeezes pebbles out of her poontang. The stones drop into the glass one at a time with a series of pings.

Her cunt emptied of gravel, the chippie stands, milks the audience of sex tourists for applause, then slides the neck of the water bottle into her slit and, using only her cooch to grip the glass, unscrews the cap. The trained cunt spits out the bottle cap and sucks up the contents of the container. A shimmy of the ass later, the performer crouches over the glass and gushes like a faucet.

The time has come for the second slut to display her vaginal prowess; she steps up to the snifter, flashes her glistening gash and, ba-da-bing, squirts out three tropical fish, which seem to hang in midair for a split second before plopping into the water. As the brightly plumed fish dart around in their new aquarium, the two cunt artists bow to the appreciative crowd of drunks and perverts.

At the notorious bars of the Pat Pong district, pussy tricks range from time-honored classics, such as the cigarette-smoking clam and the ping-pong-ball-popping pussy, to the outright bizarre—vaginally swallowing a boa constrictor.

* * *

While Thai bar girls can handle chopsticks and produce fine calligraphy with their crotch cookies, some skeptics consider the razzle-dazzle of cunt craft to be no more than pointless novelty bits aimed at Western rubes; other observers place pussy parlor tricks in the theatrical tradition of burlesque. Whatever the case, no one considers cooze craft to be especially erotic.

Nonetheless, with rigorous training, the well-drilled cunny is capable of precision flexing; the squeeze box can be every bit as effective as the hand in the basic grasping and manipulation of objects.

Apart from its prehensile dexterity, the expert stunt cunt can also perform gags based on controlled queefing. Here the advanced repertoire includes hurling missiles, ranging from blow darts to bananas, for both accuracy and distance; sustained kazoo-like whistling; and, in one truly exceptional case, fire-breathing.

The firebrand in question is a New York City-based performing artist named Otter who decided to update her fire-breathing act by switching to vaginal flame-throwing.

"It's a flammable liquid mixed with air, meaning you have to atomize the liquid," Otter says. "I practice it in the shower every day."

If Otter's feat sounds familiar, it should not be confused with the well-publicized stunt pulled by Jasmin St. Claire, in which she appeared to disgorge flames out of her cornhole. Jasmin's prank, for the film *Blow It Out Your Ass,* was made possible by a butt plug equipped with a butane-gas jet. Otter's pyrotechnic pussy depends solely on her considerable queefing power.

The key to a flame-throwing twat, along with most other cunt stunts, is the mastery of the pubococcygeous, or PC, muscle, which begins at the pubic bone, encases the vagina and ends at the base of the ass.

"For something like the fire-breathing pussy, you'd have to harness the mechanism that produces the *queef*, which by definition is the involuntary discharge of air trapped in the vagina," explains sex therapist William Fitzgerald, Ph.D., of the Silicon Valley Relationship and Sexuality Center in Santa Clara, California.

Sex Play

Wong can call on her star twat to crack eggs, slice bananas, draw pictures, perform sleight-of-snatch magic tricks and, in one particularly dangerous stunt, squeeze out a string of razor blades.

"After a training program made up of very specific exercises—Kegel exercises, for example—it should be possible for the woman to work the PC muscle in such a way that lets her regulate the flow of air in and out of the pussy," Dr. Fitzgerald adds. "The closest physiological analogy would be farting through the anus, which most people seem to be able to control most of the time."

Modulated queefing is the technique used by Toronto burlesque artist Dixie to whistle through her slot. The 24-year-old muff musician says she takes after the French flatulist Le Pétomane, who plied his craft in Paris's Moulin Rouge burlesque show in the early part of the 20th century.

"He could take enormous amounts of air into his ass and then fart out whole songs and imitate musical instruments and the sounds of birds and animals," Dixie says of Le Pétomane, who she discovered while attending mime school.

Dixie managed to teach herself how to whistle through her snatch, but she finds it difficult to explain exactly how the trick is done. "It's like in that movie where Lauren Bacall says, 'Just put your lips together and blow,' " Dixie offers.

Otter says she performs her flaming-clam bit because she has had a lifelong obsession with fire, as well as for political reasons. "I'd always been into fire-breathing and fire endurance—setting my nipples on fire and lighting cigarettes off them—but I'm also a radical feminist, and at one point, I thought, *What could be more radical and more feminist than a pussy breathing fire?*"

Though performers such as Otter and Dixie wield their talents on the fringes of adult entertainment in North America, their counterparts in Bangkok are firmly entrenched in the heart of the sex industry. Ever since the emergence of Thai red-light culture during the Vietnam War, pussy tricks have been a big attraction for the hordes of visiting tourists.

In the 1970s, only a handful of clubs, most notably Lucy's Tiger Den, specialized in pookie prats, and the shows were usually limited to smoking and ping-pong-ball bits. In recent years, however, the growing international notoriety of the Bangkok trick-clam trade has prompted intense competition between clubs and among performers, with acts becoming ever more elaborate and far-fetched.

Arguably, today's top snizz whiz is Suzi Wong, a shapely 22-year-old who exploded onto the pussy-prank scene after honing her vaginal skills in a two-year apprenticeship with an expert cunt artist. During that time, Wong mastered nearly all the routines known in Bangkok; she can call on her star twat to crack eggs, slice bananas, draw pictures, perform sleight-of-snatch magic tricks and, in one particularly dangerous stunt, squeeze out a string of razor blades. (Video footage of these feats can be seen online at www.lucystigerden.com.)

Wong's training regimen began with basic vaginal contraction exercises and moved on to gripping small objects such as pens and blow guns. Working tirelessly to develop muscles most women don't know they have, Wong learned to trap air inside her vagina, the same way sucking air into the esophagus can force a belch. Even the strongest snatch can't crack open a bottle though; Wong pulls off this stunt by concealing a bottle opener in her love canal prior to taking the stage.

As is the case with most women in the Thai sex industry, Suzi's decision to take up cooch craft was financial.

"The girls who perform pussy tricks get paid considerably more than the regular go-go dancers, and they also get paid according to the number of tricks they can do," Suzi explains, speaking through an interpreter.

Wong has made a name for herself in Bangkok, but she is not one to rest on her laurels; the snatch impresario continues to add to her repertoire. "I especially like it when men bring their wives and girlfriends, who seem to be even more curious about how the different tricks work, and so I try and add a little bit extra to my show," Wong says.

Breaking into the stunt-cunt game is a daunting proposition for newcomers. Competition is fierce, and veteran performers are more demanding than ever in picking their understudies. "There are plenty of pretty girls, but only a few have the dedication and patience to learn the job well," Wong says. "It takes a long time."

One ingenue who has made the cut is Wong's 20-year-old apprentice, Alex, who has mastered the standard banana rocket, in which she queefs a banana into the air and catches the slimy projectile over her head.

"I hope my skills help me one day meet a nice American guy who will marry me and take me back to America," Alex says. Using cooze to snag a man—perhaps the greatest pussy trick of them all.

"Dean Elliott, your daughter was the hit of the frat party!"

"We both grew up as circus kids," giggles Isabella, diving into Alexa's twisting snatch. "So we've always been into daredevil antics." The carnal acrobats tangle sweatily on the teetering swing, delving into each other's nether regions with dazzling skill.

"I've only fallen once, and that was because Isabella dripped so much clam jam, I couldn't hold my grip," groans Alexa as her partner in sexual stunts sucks hungrily at her raw labes.

"That is such bullshit," huffs Isabella between quaffs of cunt broth.

"Shut up and lick me!" laughs Alexa, sending the swing into a wild spin with a kick of her sculpted leg. The agile sluts never lose their balance as the blue swing delivers them to a spectacular climax.

JIM CROW'S LEGACY IN BLACK SKIN FLICKS
YOU TWO BETTER NOT GO IN THE BIG HOUSE. MASSA DON' WANT YOU IN THERE.

REPORT BY DAVID BUCHBINDER * PHOTOGRAPHY BY JOHN DUNNE

In the 19th century, white minstrel performers blackened their faces with cork to lampoon the recently freed slaves. Today's pale-faced XXX producers hire African Americans to caricature themselves in all-black and interracial fuck movies—and pay them less than their white counterparts for their efforts. While black adult-film stars bristle at racism-as-entertainment and white directors pass the buck to degradation-hungry porn consumers, some optimists believe America is whacking its way to improved race relations. HUSTLER peers into the separate-but-unequal realm of black blue movies.

Black Beach Patrol #6, an X-rated version of *Baywatch* that revolves around flimsy lifeguard-training scenarios, is set in a pink-stucco mansion perched on a hilltop in Malibu, California.

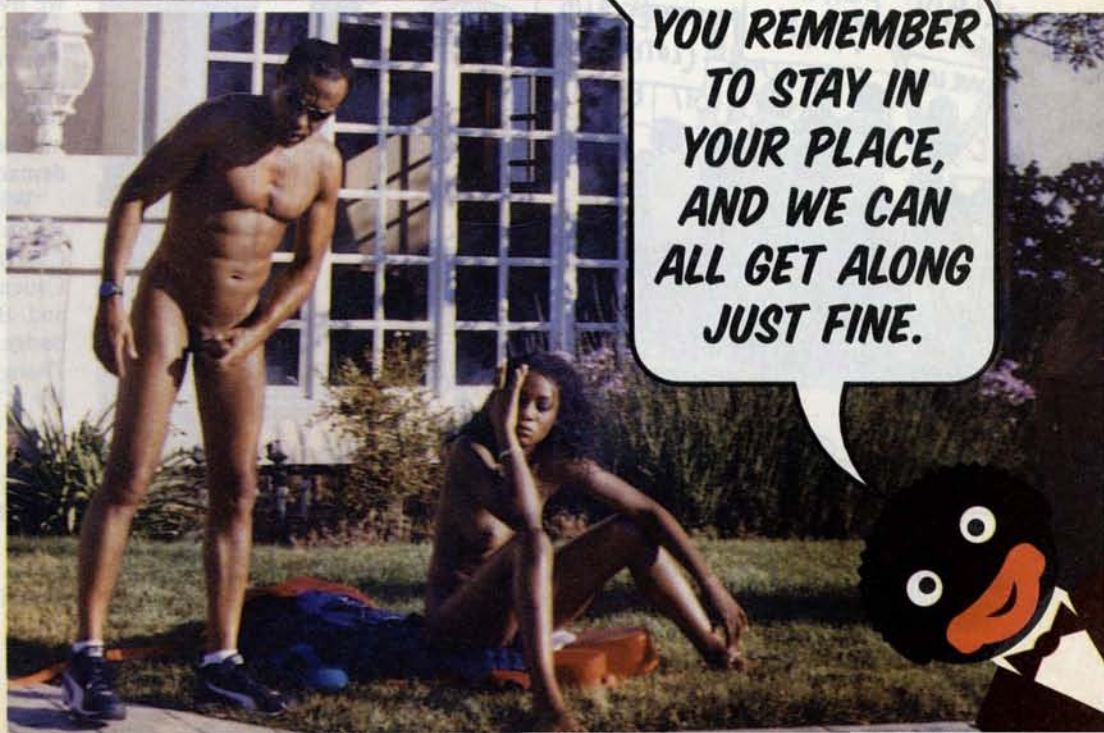
African American hired dick Byron Long and sleek, dark-chocolate porn starlet Monique sit together on a white-leather couch in the living room, bungling their first few takes of dialogue.

"You have to cover for me," Monique pleads, deliberately emphasizing each word while rubbing Byron's crotch. "I have to go on this trip."

"Yeah, I guess I could tell them you called or something," Byron says woodenly. The wafer-thin plot advanced, Byron and Monique strip off their fire-engine-red swimsuits and defer to their genitals, which turn in considerably more animated performances.

In a separate wing of the house, Tony Eveready sits at the head of a grooved, French-country dining-room table. Dressed in black, his hair braided in cornrows, the 29-year-old woodsman shares his frustrations about being a black man in the adult-film industry.

"Say we're past the slave times now—now we're to the time of indentured servants," Tony says.



Black Porn

A brotherhood of pale-faced porn barons dominates the business of ebony erotica, where titles such as *Skeezers* and *Lesbian Car Wash in Da Hood* are the industry standard.

"They're giving us peanuts to work for 'em, while they make all the money. It's like the big plantation owner says, 'Okay, I'll pay you a little bit of money, but the majority of what you get paid is staying in my pocket.'"

Panting and gagging sounds emerge from the living room. Monique is asphyxiating herself on Byron Long's abnormally large penis. "Keep on sucking, people," the director says. "Go, baby. *Action!*"

Tony Eveready leans his elbow on the dining-room table, which is cluttered with eight place settings of floral-patterned Lenox china.

"You get cheap motherfuckers like Gabor—who this movie is for, but I don't give a fuck—who are paying $300 to male talent for a scene," Eveready says. "Bullshit. If you got a lawyer who was down to fight it and started pulling records from all the companies on what they got paid—look at the pay rates for the whites, all the pay rates for the blacks—there's discrimination."

* * *

"The industry will only allow a couple of people in the big house—it really is a case where it's the house nigga versus the field nigga; everyone starts out as a field nigga, and certain people can ascend, if that is the right word, to being a house nigga."

—Lexington Steele, 2000 AVN Awards Male Performer of the Year.

For Gabor Esterhazy, president of Heatwave Entertainment, the *Black Beach Patrol* series is a departure from his bread-and-butter lines; unlike *Girlz 'N Da Hood*, *Ebony Cheerleaders*, *Black Jack City* and *Nubian Nurses*, *Black Beach Patrol* boasts plotlines, is shot in an upper-middle-class setting, is destined for a cable release and does not resort to crass stereotypes.

"They say I'm making too much homeboy stuff," Esterhazy groans. "Well, that's my style. For me, to make a movie with gangsters is much more exciting than making a movie with bankers.

"I try to make the real thing, how people talk to each other," adds the Hungarian-born Esterhazy. "Black people have a normal way to talk—'nigger this, nigger that.' Even if they are very close, then they will call you nigger, too, and then it's kind of like an honor, like a friend."

In spite of Gabor's insight into African American culture, what Esterhazy considers cinéma vérité is more like an X-rated version of blaxploitation films.

"Sometimes I'll get a script, and I'll go, 'Okay, I see there have to be some changes,'" says Julian St. Jox, a ten-year veteran of skin shoots. "They're paying me enough to have sex; they're not paying me enough to look stupid."

Esterhazy is far from a lone exploiter; a brotherhood of pale-faced porn barons dominates the business of ebony erotica, where titles such as *Skeezers*, *Git Yo' Ass on Da Bus* and *Lesbian Car Wash in Da Hood* are the industry standard.

"Ebonics does play a certain part of reaching an audience," notes John Slade, editor of *Players* magazine.

"I'm not Shaquita doing *Bootylicious 'Ho Bitch*," says Midori, today's best-known black porn queen, who turns down work in "ghetto-style" movies. "If you stick up for your race, you're whining or you've got a chip on your shoulder, but it's a big deal because [stereotypes are] an expression of a racist culture."

If, as Midori suggests, pornography holds up a fun-house mirror to society, adult films reflect a long history of racial discrimination.

"Welcome to America," says Johnny Handsome, the black president of Bedtime Productions in New York. "Slaves were supposed to be subhuman, three-fifths of a man according to the Constitution; but most of the slave masters had sex with slaves, had children by them. Yet they would boil in oil any black slave that had sex with a white woman."

Handsome believes the same type of sexual hypocrisy exists today in porn. "The adult-video industry is just a microcosm of the whole country, of the system we live in," Handsome says.

Black performers see the shadow of America's racist past flickering within contemporary pornography, but many XXX producers insist that the adult-film business is as simple as supply and demand.

"What do you think would sell better—*South Central Librarians* or *South Central Hookers*?" asks Jim Powers, the Caucasian president of J.M. Productions and the responsible party behind low-budget sleaze fests such as *It's a Butt Thang*, *Dat Bitch a 'Ho* and *Don't Hate Me Cuz I'm Bootyful*. "In my world, your typical Asian is, 'Me sucky all night long'; your white girl has to be the slut that will fuck anybody that walks into the diner; and your stereotype of a black woman is a street prostitute. I make stereotypical movies. I am pure exploitation."

"I'm a stowaway," confesses Helene. "I had a week's vacation from my shitty job, but my tightwad boss doesn't pay me enough to go on a decent trip." Adjusting her life jacket to expose her pert torpedoes, the stealthy strumpet recounts her scam. "I sucked off a security guard at the boarding dock. He blew his load and told me I had three minutes to hide while he took a piss.

"I crawled into a giant crate of margarita mix, figuring they'd load that on a fun ship. When I found my way out of the cargo hold, it turned out this is a swingers cruise to the Bahamas. Every night I fuck a different guy and sleep in a luxury cabin." Parting the delicate folds of flesh around her vage, Helene exposes her ruddy snatch. "This is my ticket to the best vacation I never paid for."

Black Porn

"It's not a regulated industry. No one is going to go in there and talk about discrimination because it's an industry no one wants to be associated with."

If Powers sounds proud, that may be because outrage can help a videotape stand out in an industry that produces some 8,000 new titles each year. As a result, the pursuit of profit has become a race straight into the toilet.

"You can't get any lower on the taste scale than Rob Black," says Rob Black, of Extreme Associates. The 26-year-old, white-skinned black sheep of the porn flock directed *The Cellar,* featuring XXX banshee Mila as a Klanswoman who screeches, "Fuck me, you fucking niggers!" to a duo of ebony swordsman. Black's *Friend to the Black Man* is intercut with passages from the *Nigger Bible*, a book "written by an acknowledged nigger about the experience of niggers, addressed and directed exclusively to my nigger people."

"We do what we can to stand out among the 900 billion other porn companies out there," Black explains.

An on-air comment about monkeys landed sportscaster Howard Cosell in hot water, but political correctness has less muscle in a business that lies somewhere between a form of popular culture and a jar of Vaseline.

"It's not a regulated industry," says Jake Steed, a black woodsman and producer who consistently speaks out about race politics in adult film. "No one is going to go in there and talk about discrimination because it's an industry no one wants to be associated with."

Adult films fly comfortably below the radar screen of polite society—so much so that Me Mo' Nasty, described by *Black Taboo* magazine as the "King of all Black Porn," is in reality the very white Jim Powers, who shamelessly pirates the language of black empowerment to sell stereotype-laden films.

"Fight the power, and only support the companies that bring you 100% hardcore fuck videos. Peace," Nasty/Powers writes on the box cover of *Black Knockers #54*, where he also shills, "I bring you the dumbass pussy that you be looking for."

In response to the galling state of affairs in porn, Rob Baker, the black president of talent agency Deerob Enterprises, has attempted to organize a XXX union.

"The basic idea was to get a better handle on what was being produced," Rob says. "Say a producer says, 'I want to do a movie called *Big Bitches and 'Hos*.' I can say, 'No, thank you.' "

Baker's union would also have addressed a complaint that's nearly universal among African American talent: rate discrimination.

"You don't see outright racism, but if you have a Caucasian girl making $1,000 a scene, and you've got a black girl doing the same scene, they'll try to get her at two, three, four hundred dollars less," Baker says. "That's a form of racism."

Baker's XXX syndicate was doomed from the start, largely because the jizz biz is full of scabs—there is always a whore too desperate for cash to turn down a job just for the sake of principle.

"Everybody loved the idea, but the problem was unity within the black entertainers," Rob says.

The lack of labor solidarity among skin stars allows bottom-line-oriented producers to push budgets to the floor in order to maximize profits.

"It's like putting out sardines—it's a small profit, but you put out tons of it," says Powers, who specializes in no-budget "pay-the-bills" lines such as *Black Knockers*, a bargain-basement series that was mercifully mothballed after 66 dreary installments. "I'm a volume man; so if nothing else, I'm one of the guys that's keeping things down. But I'm an equal-opportunity exploiter."

Depressed pay rates are also a product of the system by which producers give directors a sum of money with which to make a movie. Anything left over after production costs is the director's salary. In the high-volume, low-profit-margins game of low-budget porn, the basic idea is to screw the talent.

"I wouldn't liken it to a slave trade or an auction block, but it's a flesh-peddling business, and on the black end of it, the stocks are trading at a lower price," says Lexington Steele.

Producers justify lower rates as a function of the limited consumer appeal of black porn; niches as narrow as gerbil porn, midget flicks and geriatric gangbangs generate modest returns, not due to a legacy of racism, but because some slices of the $8 billion-a-year porn pie are thicker than others.

"People need black product, just like they need the Oriental product," says Rob Black, "but the demand is greater for a plain, vanilla, blond-haired, blue-eyed, big-titted chick getting fucked in the ass."

Cheap black porn predominates, but Video Team, which releases *My Baby Got Back*, *Sista* and *United Colors of Ass*, bucks convention by turning out high-budget sex lines.

"I get annoyed when I hear that black is a stepchild in adult movies," says Christian Mann, president of Video

"Me with a real hooker! I can't wait to tell my buddies!"

Black Porn

"A lot of guys who might say, 'I don't want my daughter with a black man' love watching that little white girl get fucked up by all these big black men," says Powers.

Team's Afro-Centric Productions. Mann, a white entrepreneur with a vision, believes that big-ticket fuck flicks can overcome any marketing advantage enjoyed by low-budget productions.

"A lot of the cheap stuff winds up on video," Mann says. "We have a deal with Playboy for two movies a month. We've broken a barrier—it used to be that you didn't see a lot of black products on cable."

For a black stroke movie to be picked up by adult-cable channels such as Spice and Playboy TV, the tape must maintain high production values and avoid blatant stereotypes; until very recently, cable companies also drew the line of bad taste at X-rated product that paired a black man with a white woman.

"I don't know if they were just worried about the southern part of the U.S. reaction to the black man with the white woman," says Jim Powers, who shot for Spice in the mid-1990s. "But it's really opened up, because when it comes to sex films, I don't see people marching in the street."

Frank Marschesini, senior publicist for Spice, wouldn't comment on the company's past policies, but he concedes that today's cultural climate is more tolerant than ever before.

"In the last ten years, mores have changed; people are less prejudiced than they used to be," Marschesini says. "The civil-rights movement of the 1960s—now we're starting to see real breakthroughs in all cross sections of society, including porn."

The cable industry has warmed up to interracial porn, but to this day, white girls, and even some black starlets, routinely refuse to work with black men, not because they prefer whites (though this, too, is often the case), but for the sake of their careers.

"[Porn starlets are] actually told by agents, and this is a direct quote, 'Honey, you know, it wouldn't be good for you right now to work with the black guys,'" says Sean Michaels, one of the most respected African American leading men in XXX. "'It's not good when you go to the southern states to dance.'"

Agents and cablecasters alike fear a redneck backlash that may never materialize. In fact, directors such as Jim Powers believe that bigots make up an enthusiastic demographic of interracial-porn masturbators.

"A lot of guys who might say, 'I don't want my daughter with a black man' love watching that little white girl get fucked up by all these big black men," says Powers, whose *White Trash Whore* series features a gang of overendowed black men anally violating a dizzy blonde. "It's a white fantasy watching all the black men fuck the white women."

What was once a taboo strong enough to trigger ghoulishly savage reprisals has been transformed into a bankable turn-on.

Brigette Kerkove, a 23-year-old blond starlet from Los Angeles, has appeared in countless interracial scenes in her career and has not suffered—she was named AVN Best New Starlet this January. Kerkove believes desegregated porn projects a healthy image of sexuality and works to salve the wounds of racial bigotry.

"As long as it's done tastefully, it's a beautiful, healing thing," Kerkove says. "Why do you think everybody's renting these tapes? People just want to see the black guy with a white girl because they're interested in the taboo. The taboo sucks you in; you witness it, accept it. Over time, you realize, *I'm a completely different person.*"

Sean Michaels, the self-described "Sidney Poitier of porn," is known for bringing the races together; many starlets with a Jim Crow work policy make an exception for Michaels.

"People come up to me saying, 'You have transcended the color lines thing, and you don't have to sit on a mountain preaching no color lines—you just did it.'"

In fact, Michaels does preach, from the mountain of videotapes that Sean Michaels Productions International Inc. pumps out of its San Fernando Valley facility each year. A graphic reading "No Color Lines" appears at the end of every SMP release.

Michaels was the first prominent black star to start his own porn production company. In his popular *Rocks That Ass* series, Michaels fucks it out with top-dollar talent in James Bond imitations such as *Octoberpussy* and *Cold Finger*.

"No one has any say about what goes out and how it goes out other than me," Michaels says.

Other black woodsmen, including Ron Hightower, Pierre Woodburn and James Alexander, have also put out signature lines. Mr. Marcus produces *Mr. Marcus's Neighborhood*; Julian St. Jox oversees *Players Academy*, a series that combines hard-core sex with pickup tips. Tony Eveready puts out a 3-D blowjob line, and his Los Angeles-based talent agency imports white girls from the Carolinas, Florida and Kentucky for work in X-

HUSTLER HUMOR

The day after Steve's wedding, he rushed to the bar.

"I think my marriage is over," the young groom cried over a beer. "After I was done fucking her, I put on my pants and left 50 dollars on the nightstand. Force of habit, you know?"

"That's not a problem," the bartender counseled. "She probably didn't know what it was about."

"Are you kidding?" Steve cried. "She left me 40 bucks change!"

Carl visited his sister, who was married to a farmer in a poor county. Since there were limited accommodations, she asked her brother to sleep with her son.

When Carl came into the bedroom, he saw his little nephew kneeling at the side of the bed with his head bowed. Deciding to present a good example, the uncle assumed a praying position at the other side of the bed.

The child looked up and said, "Whatcha doin'?"

"Why, the same thing you're doing," Carl replied.

"Ma's gonna be mad ," said the boy. "The pot's on this side."

Question: How do you know if a midget's having her period?

Answer: She keeps tripping over the string.

Marge and Helen, two old friends, were having coffee when Helen sniffed, "I hear that you've been telling people that I'm ugly."

"Oh, no," Marge swore. "I've only mentioned that your new hairdo makes you look less attractive."

"Well," Helen continued, "I also heard that you've been calling me fat."

"Not true," Marge countered. "I may have said that, when you wear stripes, you look larger than you really are."

Slightly mollified, Helen went on. "I'm told you've been claiming that my husband has a wart on his dick!"

"Oh, please!" Marge laughed. "All I said was that it *feels* like a wart."

Miss Ross explained to her kindergarten class that she was a Fundamentalist, and that from now on, there would be ten minutes of prayer every morning.

"The school board won't let me tell you how to pray," she said, "so you children can do whatever they do at your church."

The kids all bowed their heads, except little Susie.

"Honey," Miss Ross chided, "we're praying now."

"I don't have a church; I'm an atheist," Susie replied. "My mommy's an atheist, and so is my daddy."

The indignant teacher snapped, "And I suppose if your parents were both retarded, you'd be a retard, too?"

"Hell, no," Susie grinned. "I'd be a Fundamentalist."

Question: What happened when the Polish lady had triplets?

Answer: Her husband went looking for the other two guys.

The HUSTLER Dictionary defines *queer Jew* as: a He-blew.

Angie and Tom, a married couple, were driving down the New Jersey Turnpike at 55 miles per hour. Angie looked over at her husband and said, "I want a divorce."

Behind the wheel, Tom said nothing but slowly increased his speed to 60 m.p.h.

"I've been having an affair with your best friend, and he fucks better than you."

Again, hubby kept quiet and sped up.

"I want the house as well." Tom gunned the motor. Soon the couple's sedan was barreling down the turnpike at 75 m.p.h.

"I want the car, the checking account, and all the credit cards too." The speedometer passed 85. The husband began to veer toward an overpass guard rail at 90 m.p.h.

"I must say, you're taking this incredibly well," the wife grinned in relief. "Isn't there anything that you want?"

"No," Tom muttered calmly. "I already have what I need."

"What's that?" Angie asked.

"The airbag."

How George W. Bush's Big Bucks Fall in With the Religious Right

REPORT BY DILLON RIEFF * ILLUSTRATION BY ALEX EBEL

From the moment George W. Bush formed his exploratory committee in Spring 1999, the Texas governor was the odds-on favorite to be the Republican candidate in the 2000 presidential election. Dubya appeared all but invincible, until his $73 million campaign hit a bump in the road in the form of tough-talking Senator John McCain. Bush reached deep into his pockets to pull out a victory in the critical South Carolina primary. He also rendered himself beholden to a slew of Religious Right factions. HUSTLER digs through the Republican nominee's campaign receipts to uncover the men who will really be running the White House if Bush is elected President this November.

On a Saturday evening last October, at a meeting of the Council for National Policy in San Antonio, Texas, Governor George W. Bush gave one of the most significant speeches of his then-fledgling presidential campaign. Little-known and highly secretive, the Council for National Policy is a veritable Who's Who of the Religious Right. The group counts among its estimated 500 members such luminaries as Christian Coalition founder Pat Robertson and his former political guru, Ralph Reed; antiporn crusader Edwin Meese; and honchos from the National Right to Life Committee and conservative think tank the Heritage Foundation.

Bush's audience that night had doubts about the aspiring candidate's commitment to its God-given agenda: outlawing abortion, gambling, porn and gays; and bringing guns, school prayer and school vouchers to the masses. ►

Buying God's Vote

Radio personality James Dobson confirmed that Bush "talks one way in private consultations to soothe religious leaders and another in public."

In a 30-minute, off-the-cuff address, Bush brought down the house. "I've never seen anything like it," says longtime Bush backer Major Andy Messing (ret.), a former Special Forces officer in El Salvador and Contra backer who has been attending Council meetings since the early 1980s. "They jumped up and gave him this long, standing ovation. People were crowding in just to get their picture taken within ten feet of him. He was like a superstar."

Exactly what Bush said during his half-hour speech remains something of a mystery. The Council for National Policy, citing a long-standing practice of secrecy, has refused to release a tape of Bush's remarks. The Bush campaign, responding to calls from the Democratic National Committee in late May to make the tape public, claimed that the recording was missing.

The secrecy—and the success—of Bush's message to the Council for National Policy members is one of many examples of how George W. Bush has courted religious conservatives from early on in his presidential campaign.

Since Bush's ill-advised visit to Bob Jones University—whose leader's reactionary views on interracial dating and Catholicism alarmed moderate voters—the Bush campaign has taken pains to portray their candidate as a nonthreatening, centrist "compassionate conservative." Even as Bush has been reassuring independent-minded swing voters that he is not a captive of his party's right wing, he has cultivated a network of conservative religious leaders and has been reassuring them of his fealty to their cause.

Focus on the Family radio personality James Dobson, one of the most influential voices on the Right, confirmed the suspicions of many observers when he said at a press conference in late May that Bush "talks one way in private consultations to soothe religious conservative leaders and another in public as he attempts to project a middle-of-the-road image."

In the eyes of the Bush campaign, the candidate isn't two-faced; he's simply "narrow-casting" his message. Critics, meanwhile, believe Bush is guilty of deceptive campaigning.

Herewith is HUSTLER's guide to the ministers and moralists, the televangelists and troglodytes, the Fundamentalists and fear-of-God types who have been crowding Governor Bush's dance card—who they are, what they want and just how far into bed with them Bush has crawled.

"This place prides itself on its friendly staff."

DOUG WEAD

The most inconspicuous member of George W. Bush's "kitchen cabinet" is a onetime itinerant preacher and Amway motivational speaker named Doug Wead. In the mid-1980s, Wead was a confidant of Jim and Tammy Faye Bakker and a frequent guest on their *Praise the Lord Club* when he was tapped as Vice President Bush's official liaison to evangelical voters. When George W. joined his father's presidential campaign in 1987, Wead was already ensconced in Bush Sr.'s election team. Through Wead, Junior was exposed to the top figures of what was then called the New Right: Bakker, Paul Weyrich, Jimmy Swaggart and Jerry Falwell.

Operating below the mainstream media's radar, Wead arranged for Vice President Bush to meet privately with more than 1,000 influential evangelical leaders. He coordinated the publication of flattering profiles of Bush in major Christian magazines, and interviewed the Vice President for a video segment that was broadcast to tens of millions of true believers on more than 160 independent religious stations. For his successful presidential bid, Bush was able to hold onto his image as a moderate while racking up 81% of the evangelical Christian vote, a figure unmatched before or since.

"It's got to take place quick and when the media is not looking," Wead told the *Arizona Republic* in a rare interview last fall. Presumably that is the same advice Wead has given George W., for whom he wrote a closely guarded strategy memo early on in the governor's bid for the Republican presidential nomination. Though he's not on the payroll of the Bush campaign, which has never acknowledged that his strategy memo even exists, Wead remains, according to one Bush insider, one of the governor's closest friends and advisors, talking to Bush almost daily by phone.

Wead reportedly mobilized his extensive church contacts last fall to help engineer the governor's strong showing in the Iowa straw poll, which solidified Bush's status as GOP front-runner, and has counseled Bush on how to "send signals" to evangelical voters without upsetting moderates.

Savvy observers see Wead's influence behind such moves as tapping former Dallas Cowboys quarterback Roger Staubach—a popular figure in born-again Christian circles who is nonetheless inoffensive to the general public—to campaign for Bush in Iowa and Bush's appearance on Bob Maddox's popular Christian news-radio program. helped cement Bush's close relationship with top Amway executive and Religious Right money man Richard DeVos.

BUSH AMONG EVANGELICALS

In the meantime, Bush has reprised his father's 1988 strategy of reaching out to evangelical leaders early and often, on their own turf and in their own language.

Bush has hosted popular San Antonio televangelist John Hagee and his wife as overnight guests at the Governor's Mansion in Austin. He has also held private meetings to woo other high-profile men of God, such as Phoenix Pastor Tommy Barnett, Reverend Ed Young of Houston, Tim Lambert of the Texas Home School Association, and Southern Baptist Convention heavyweights Paige Patterson and Judge Paul Pressler.

These leaders were among the pro-Bush Christian conservatives who mounted a quiet phone campaign in the fall of 1999 to talk up Bush as a "godly brother" to activists in key battleground states such as Iowa, Ohio and South Carolina.

"These are men that know me first and foremost," Bush told the *Dallas Morning News*. "They are not cold-calling folks. They are calling people they know to say, 'This man's a good man. Give him a look; give him a chance.'"

On Presidents' Day 1999, candidate Bush raised eyebrows by appearing on Texas televangelist James Robison's nationally syndicated program, which is known more for end-of-the-world Y2K rantings than political discussion.

"If we care about the future of this state, about neighbors loving neighbors, then people of faith and decency must stand up," Bush told viewers. The message: The evangelical right and its issues will have a place at the table in a Bush administration.

In return, a few days after Presidents' Day, Robison endorsed Bush at the inaugural breakfast of the Texas Christian Coalition.

RALPH REED

George W. Bush's courtship of the Religious Right has not come without its costs—literally. The Bush campaign has spent record amounts of money to lure the legions of the Lord. The most high-profile example of the campaign wooing God with mammon is the Texas governor's relationship with the poster boy of Religious Right politicos, former Christian Coalition honcho Ralph Reed.

The Bush campaign put Reed on the payroll in July 1999. As has been widely reported, through April 1, 2000, Bush for President Inc. paid Reed's Georgia-based consulting firm, Century Strategies, upward of half a million dollars. But Reed is deeper in Bush's pocket—and has been there longer—than most reports suggest.

Besides the money paid to Century Strategies, HUSTLER has learned that the Bush campaign dumped another load of cash—$374,500 more—on two mysterious, dubious and apparently pious entities operating out of Reed's office in Duluth, Georgia. Bush campaign spending reports on file with the Federal Elections Commission reveal that a direct-mail company called Millennium Mail received $197,000 from the Bush campaign on March 15 and another $89,300 on April 1. Another company, Capitol Media, also received a total of $88,200 in payments during that same period under the category "media expense."

A spokeswoman at Century Strategies claimed to be unfamiliar with both companies (although Millennium Mail had a voice mailbox at the company), could not say who owned them and said she had "no idea" what the Bush money had paid for. There's more: When Reed left the Christian Coalition to set up shop as a lobbyist/political consultant, Bush reportedly steered him his first big account, with Houston energy giant Enron, Bush's biggest political patron over the years.

The *New York Times* reported earlier this year that Reed's firm cashed in on Bush connections by landing an account with Microsoft, who paid Century Strategies to orchestrate a lobbying campaign to persuade the presidential hopeful to oppose the government's pending antitrust case—a classic conflict of interest.

The payoff for Bush: Reed delivered Bush the Christian Coalition, which, in turn, delivered a victory for Bush in South Carolina.

The payoff for Reed: A top slot in the political shop of a Bush White House.

THE VIRGINIA BEACH CONNECTION

Less than 24 hours after the polls closed in the Palmetto State, televangelist Pat Robertson, Reed's old boss and mentor, took to the airwaves to give credit for Bush's double-digit win to Roberta Combs, an obscure field organizer tapped to fill Reed's old job at the Christian Coalition's Virginia Beach, Virginia, headquarters.

After Bush was humiliated by John McCain in the New Hampshire primary, Robertson dispatched Combs back to her home state to reactivate her old grassroots

"All these fucking dot-coms are giving me a nervous breakdown," sighs voluptuous venture capitalist Naughtia, shimmying out of her power suit and into a vintage corset. Naughtia adjusts the position of her creamy mams on the embroidered fringe of her corset. Mark, a successful club promoter who's turned his Soho loft into a replica of a 19th-century French bordello, looks on approvingly.

"There was such a purity to passion in old Paris," laments Naughtia before sliding Mark's swollen blood bone down her accommodating throat.

"Technology hadn't sped everything up yet—people had plenty of time to fuck," adds Mark, bending Naughtia over an antique chair and reaming her velvety trench. The nostalgic humpers channel the raw desires of the past. A feast of rich ball batter tops off their carnal banquet.

Smacking her lips, Naughtia points out, "The French have always had a special taste for sex."

network and spearhead the Coalition's pro-Bush, get-out-the-vote drive. For his part, the Reverend stayed home and used his nationally broadcast TV show, *The 700 Club*, to bash McCain.

Meanwhile, Reed's operation and other Christian activists bombarded the Christian conservatives among the state's 500,000-plus voters—many on Christian Coalition and South Carolina Citizens for Life member lists—with phone calls, mailings and radio ads. McCain, one message proclaimed, "wouldn't be a strongly pro-life President."

Federal law prohibits coordination between political campaigns and independent groups such as the Christian Coalition. The Bush campaign has repeatedly denied working directly with the Coalition. But more than a few people who observed the dirty war waged against John McCain in the South Carolina primary firsthand are convinced that such collusion is exactly what took place.

"There is no doubt in my mind that Bush and the Coalition were working hand in glove," says Lee Bandy, senior political analyst at the *State Newspaper* in Columbia, South Carolina. According to Bandy, Combs told him on more than one occasion that she was in "constant contact" with Ralph Reed in the weeks leading up to the state's February 19 primary, and the two regularly briefed each other on their efforts.

The Christian Coalition's crusade did not end in South Carolina. Thousands of voters in Michigan received prerecorded phone calls from Robertson attacking McCain and his advisor as godless heathens. In California, Christian Coalition State Director Ross Bradder coordinated the distribution of 2.3 million voter guides that portrayed the senator as a flaming liberal, based on his voting record on abortion and gay rights.

NATIONAL RIGHT TO LIFE

Another case study of how money gets God on a politician's side is the National Right to Life Committee, the nation's largest antiabortion advocacy group.

In early 1999, the Texas chapter of National Right to Life invited George W. Bush to speak at its annual meeting in Dallas; the governor receives hundreds of such requests and, in all but a few cases, turns them down. This was one of the exceptions.

According to Dr. Joseph Graham, a member of National Right to Life's board of directors, Bush didn't just accept the invitation; at the suggestion of his campaign chief Karl Rove, George W. threw a swank, $5,000-a-plate fund-raiser for the group at the Mansion on Turtle Creek, one of Dallas's poshest restaurants. The May 1999 event raised upward of $100,000 for the antiabortion lobby, which reported favorably on Bush back to the national board.

Fast-forward to early February 2000, days after Bush's New Hampshire debacle. In a hastily convened board meeting, the National Right to Life Committee, relying in large part on the recommendation of its Texas affiliate, endorsed Bush and mounted a full-court press to turn out the pro-life vote in half a dozen key states. All told, the National Right to Life Committee spent close to $1 million to help Bush secure the Republican nomination.

Bush is generally thought of as a moderate on abortion issues, but in front of a pro-life audience at the Turtle Creek fund-raiser—with no media present—the candidate made it perfectly clear where he stood on a woman's right to choose: He is against it.

"He said the pro-life issue is a central issue to him," recalls Dr. Graham. "That is how he describes it. It is not just something he does for votes. The impression that comes across is that for him, pro-lifers are not simply to be used, they are the cause that he shares, and he did everything to assure us that that is his position."

The Bush campaign also appears to have bought the favor of a host of lesser Christian-right organizations. South Carolina Citizens for Life received $4,674 for the use of its mailing list.

Another obscure but presumably religious entity on the Bush payroll is the Southeast Baptist Fellowship, which operates out of a post-office box in Columbia, South Carolina, and received $20,000 from the campaign on February 16.

Representatives for the South Carolina Baptist Convention and the Cooperative Baptist Fellowship, both in Columbia, say they had never heard of Southeast Baptist Fellowship, which is not listed in any phone, business or church directory.

WORKING TOWARD NOVEMBER

With Bush's acquisition of the Republican nomination, evangelicals are looking toward the November elections and mobilizing, as Reverend Lou Sheldon's Anaheim, California-based Traditional Values Coalition puts it, "to fill America's highest elected offices in 2000 with leaders who are committed to the traditional moral and biblical values that made America great."

Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

"I live life to the fullest," says 26-year-old Sashia of Atlanta, Georgia. The busy blonde wears two hats as a student and dancer. Sashia squeezes traveling, shopping and kickboxing into her tight schedule whenever she can, but she'd drop everything, panties included, for an after-class tryst with her favorite teacher. When offered a pussy as cute as Sashia's, the lucky professor would be foolish not to carpe diem.

Carmen, 37, of Northglenn, Colorado, is a trim and sexy construction worker. The raven-haired beauty's labors of love include staying fit, cooking, traveling, camping, gardening and heavy-metal music. Carmen also thinks it would be a blast "to get it on in the back of a bus with that big motor humming the seat." If Rosa Parks had that same attitude, who knows where the civil-rights movement would have led?

They call Philadelphia, Pennsylvania, "the City of Brotherly Love," and Philly resident Karly does her part to inspire local lust. Once the 27-year-old dancer sets foot on stage, every dude in the house melts like a messy cheese steak. If Karly lives out her desire to nail "two girls in the rain," the ensuing mook riot would surely damage the town's peaceful reputation. Karly really is the kind of girl your founding fathers warned you about.

Here's one more reason to visit Las Vegas, Nevada. Sydney, a gorgeous 22-year-old entertainer, could be Sin City's main attraction. The busty blonde likes working out and watching movies, and her dream fuck sounds like a combination of the two: a threesome with Jenna Jameson and her boyfriend. Screw Siegfried and Roy; Sydney's fantasy sounds like the show to see.

Honeys don't come with instruction manuals. Luckily, Christi from Cleveland, Ohio, is kind enough to offer a photo tutorial. The 24-year-old, who loves dancing, clubbing and going to concerts, demonstrates basic titty licking and gash spreading for the novice horndog. Advanced fuckers can try more difficult techniques, such as fulfilling Christi's fantasy of "sucking a cock with another woman." Thanks for the lesson, Christi; we're ready for the final exam.

Photo by Boyfriend

Who says a crack in the mirror is bad luck? We'll take two of 23-year-old Lauren's unforgettable slit anytime. Fond of reading, drawing and sex, the San Francisco, California, real-estate manager would most like "to be tied to a four-post bed" and be "licked head to toe and nibbled on." Lauren's awesome bod and lusty desires are forever etched in *our* memories.

In celebration of her 19th birthday this month, Montreal, Canada's Chelsea spreads her youthful, pink labes. A student and horseback-riding enthusiast, Chelsea lists partying as her number-one hobby. The shaven nubile hopes that "sex on the beach" will be one of the gifts she receives this year.

Photo by Friend

Jackie's a 25-year-old student from Manchester, New Hampshire. Wine tasting and nude photography are Jackie's passions, but the desire "to be satisfied completely" by her man is what really motivates the brunette. We feel the same way, Jackie; you definitely leave us wanting more.

Photo by Friend

Cozying up next to the fireplace, Ashlie, a 21-year-old waitress from Calgary, Alberta, Canada, spreads her red-hot lips, revealing her burning ember. A fan of traveling and partying, Ashlie would love to engage in "a threesome with another woman." Break out the champagne and dildos, Ashlie, your hot spot looks like a great place for a sizzling ménage à trois.

Photo by Friend

Hazey has a strange way of paying her last respects. When the 29-year-old teacher from Rocky Mountain, North Carolina, isn't flashing her coochie in the graveyard, she enjoys skating, photography and travel. Hazey's fantasy of watching her man "do a hot, sexy blonde" proves that the Southern belle is not only a daring exhibitionist, but a closet voyeur as well. Hazey's hot bod and adventurous attitude will haunt us for years to come.

Photo by Friend

Julie has learned a formula for success. After hours in the lab, the 30-year-old chemist from San Francisco, California, discovered that her vage is her most valuable element. An avid scuba diver, camper, skier and kickboxer, the comely brunette hopes someday to have "threeway sex with my husband and another woman." Start writing your speech, Julie; HUSTLER is nominating you for a Nobel Pussy Prize.

Photo by Husband

A fitness instructor from New York, New York, Jenna sports a taut bod and piercings on her peaks and clit. Dancing, weight lifting and running keep the 33-year-old energetic and trim. Jenna's idea of a hot workout is "a night of sexual passion with a group of beautiful women in a hot tub."

Photo by Husband

Boston, Massachusetts, resident Susan, 25, makes her living as an artist. That explains the trippy, tie-dyed decor, but the redhead's shrinking-violet demeanor is a mystery. Blessed with perky little tits, a deliciously tight figure and a perfect pussy, the creative carrot-top is what the HUSTLER Dictionary defines as a fucking masterpiece.

Photo by Self

Who needs mermaids when nymphs like Denise frequent the seaside? The 27-year-old waitress from Las Vegas, Nevada, props her treasure on a stone, luring sailors and beachcombers alike. An avid skier, golfer and tennis player, Denise is one busy Beaver. Keeping up with the health-conscious siren is thirsty work. Fortunately, there's nothing like a taste of salty cooze brine to quench a parched throat.

Photo by Husband

Libby of Auburndale, Florida, flashes during an impromptu pit stop. The 23-year-old student spends most of her time doing homework, working out and partying. When the semester's over, Libby longs to visit the nude beaches of Jamaica, where she can exhibit her shapely body to her heart's content and indulge her desire to "make love under a waterfall." Keep hitting those books, Libby; your long-deserved break is right around the corner.

Photo by Boyfriend

In Jennifer's hometown of Detroit, Michigan, the mall has a glass elevator. "I've always wanted to have sex in that elevator," the 23-year-old payroll secretary confides. A martial artist and full-time partyer, the blond mall rat likes to hang out in video-game arcades. If you spot a pair of perky, little tits pressed against a windowpane next time you're at the galleria, they might belong to our favorite Beaver, Jennifer.

Photo by Boyfriend

"I am outgoing and sexy," Kandy, 21, from Beckley, West Virginia, coolly proclaims. Reclining on the couch, the slender blonde chills while her shaved muff sizzles. Dancing, swimming and sucking dick are Kandy's favorite pastimes, but one experience has eluded the laid-back blonde. "I've never been with a girl, and I secretly want to," Kandy admits. Now that the cat's out of the bag, plenty of willing women will have their chance to taste Kandy.

SCIENTIFIC RESEARCH PROVES LURE'S NEW SCENT ATTRACTS OPPOSITE SEX

Now YOU too, whether a man or a woman can become a wanted and desired sexual person.

IT REALLY WORKS

Recently, NEWSWEEK magazine reported the discovery of a pheromone that highly attracts the opposite sex. Lure, a highly arousing scent, contains large amounts of Alpha Androstenol, the sexual signaler that will make you irresistible. Pheromones send out silent, subconscious scentsignals to the opposite sex that naturally trigger romantic feelings. The scientifically designed pheromone-based fragrance provides you with one of the most precious and powerful forces of nature. Lure is working for you.

Black Porn

(continued from page 68)

rated movies. "I'm trying to dig out the Bible Belt," Eveready says.

With ownership comes control and the opportunity to return fire in the centuries-long feud between whites and blacks that extends to X-rated videotape.

Jake Steed launched Jake Steed's Productions in 1998 and hit the jackpot with *Freaks Whoes and Flows* and *Little White Chicks...Big Black MONSTER Dicks.* In a typical scene from *Little White Chicks...Big Black MONSTER Dicks*, black men with gargantuan prongs affect Frankensteinian speech patterns and stalk ditsy white ingenues. During the high-speed fucking that ensues, the cocksmen grunt and roar, their bellows modulated electronically to sound demonic.

"I poke fun at the ridiculousness of racism, which I take to the opposite extreme—this big, bad, black man who goes around wasting girls with a 12-inch dick," Steed says.

Black porn barons such as Jake Steed and Johnny Handsome use porn to fight the power, but they also release stroke movies geared specifically to the black consumer.

"Most product is being produced by nonblack producers giving the nonblack perspective of what they thought black people were like," says Handsome, whose Bedtime Productions releases *Sweet Back: Young, Budding Booties* and *Big Butt Bonanza* featuring callipygian black girls. "Black people had to settle with whatever was there."

Darkside Entertainment puts out *Freaks of the Industry*, *Sugar* and *Around the Way Girls*, all of which present images of black people fucking that are free of stereotypes.

"It's all black, but you haven't seen anything that's even got *black* in the title," says Darkside President Nicky Starks, who is white. "I get a lot of compliments about the positivity. I'm not Black Ho Entertainment, and it ain't *Crack Whores of New Orleans*."

Byron Long appears in most of Darkside's all-black releases, but in a business of equal-opportunity exploiters, Byron Long is an equal-opportunity fucker.

"A beautiful woman is a beautiful woman no matter what fucking color she is, and Captain Kirk made you believe that when he fucked that green bitch," Long says. "I've never seen a black dog saying, 'I'm not humping that white dog.' When she's in heat, he says, 'I don't give a fuck.'

"And he's doing it doggy-style," Byron adds with a laugh. "He's doing it doggy-style."

God's Vote

(continued from page 96)

Sheldon, the nation's leading antigay crusader and a onetime advisor to President Bush's 1992 reelection campaign, is raising $12 million to activate his network of 43,000 churches nationwide as part of the Traditional Values Coalition's "Election 2000 Battle Plan."

"I haven't seen people this energized behind a candidate since Ronald Reagan," Sheldon said of George W. "He is our kind of person."

The Christian Coalition's "Countdown to Victory" campaign stands to be the most far-reaching effort on Bush's behalf. In a December 1999 fund-raising letter for the campaign, Pat Robertson promised the Coalition will "recruit at least one 'servant leader' in each of 175,000 precincts in America." The organization also plans to distribute more than 70 million voter guides and register millions of Christian voters.

Although the Moral Majority has been defunct for more than a decade, Reverend Jerry Falwell is trying to orchestrate a comeback this fall should George W. be elected. The televangelist, known most recently for outing Teletubbie Tinky-Winky, has urged the nation's faithful to "fulfill their Christian duty by voting this year." Falwell even christened a new organization called People of Faith 2000 to conduct voter outreach and, in an apparent effort not to be outdone by Robertson, has pledged to "energize, inform and mobilize" 70 million of his flock and bring 10 million new voters to the polls.

* * *

If Bush wins the White House this fall, there is little doubt who will be staying in the Lincoln bedroom. Whether he's literally bought their favors—as in the case of Ralph Reed and the Christian Coalition—or made closed-door promises that he is "one of them," Bush owes the Right, big time. They will have delivered him the nomination, and they will expect plenty of payback. How much? A President Bush would likely preside over the selection of at least three Supreme Court justices—maybe four—and his friends on the Right expect him to make good on his commitment to nominate "strict constructionists"—code for antiabortion judges. There's little chance that Bush will risk disappointing his troops in the armies of God. Most likely, the election of the born-again Texas governor will usher in an era of godly influence in the White House of unprecedented magnitude. Welcome to the rapture.

Hot Letters

Blind with wrath, I plunged the sparkling handle of the scepter into her impudent pussy. The depraved debutante sang, barked and shimmied under my blistering attack.

her tits. The fleshy mounds bounced against my crotch, spurring an involuntary squirt of girl gunk in my panties. My terry-cloth robe was falling off. The evil coquette's cool, smooth skin pressed against my furious thighs. My nipples tingled angrily. Burning, I tore my underpants asunder and rubbed my juicy poontang in Mirabelle's face.

"*Ummmmrrpph!*" cried the smothered slut, her tongue slithering inside my wet hole. I reached for the hussy's hairless pie; the slit was sloppy with lady lube. I frigged her swollen clit frantically. Mirabelle's tongue-lashing intensified; I finger-fucked her with a vengeance. The feisty twat freed one of her pinned arms and smacked my ass violently, leaving an angry, purple handprint.

"*Lick m'puss too,*" Mirabelle growled around mouthfuls of cooter.

"Hope it doesn't reek like a fucking salmon," I sneered, arranging myself into a 69. Mirabelle's clam was far from fishy; the taste of her succulent snizz was intoxicating. I lapped that snatch with the urgency of a long-dry drunk at the bottle. Mirabelle thrashed and cooed. I momentarily came up for air and spied the rhinestone-encrusted scepter I won the week before at the Miss Special pageant in Dayton. The mighty shaft's smooth, phallic handle inspired me.

"See what I won?" I teased, slithering off Mirabelle and brandishing the trophy. I stood up and hovered menacingly above my new fuck buddy's prostrate form.

"I'm impressed," Mirabelle scoffed. "Go ahead, fuck me with it. I'll be fucking you with mine after I whip your nipped-and-tucked ass at the pageant."

"Cunt!" I roared. I lifted Mirabelle by the hair, arranging her body face down and ass up. She offered no resistance.

"I'll let you win this time, sweetie," she laughed. "Enjoy the victories while they last. That hook nose of yours will shatter all of your dreams when we vie for the state title."

Mirabelle was baiting me, and I bit. Blind with wrath, I plunged the sparkling handle of the scepter into her impudent pussy. I pumped the silver shank in and out of Mirabelle's muffin with frantic strokes. The depraved debutante sang, barked and shimmied under my blistering attack.

"Yeah, I'm coming!" Mirabelle announced. "Who's the bitch *now*, baby?"

The makeshift saber vibrated in my hand as Mirabelle spazzed out with orgasmic seizures. Spent, her ass dropped suddenly. I lost my slippery grip on the handle. My bejeweled prize crashed against the floor. The glorious, domed top separated from the handle. Rhinestones scattered across the room, glittering sadly under the fluorescent lights. Mirabelle giggled with evil delight.

"My scepter!" I cried. "Look what you've done!"

"Just a bit of foreshadowing," Mirabelle chuckled. I don't know what the fuck that means, but I didn't like the tone in that bitch's voice.

Mirabelle and I spent the entire rehearsal shooting each other the evil eye and trying to trip each other during the evening-gown competition. Then we hid in a wardrobe and fingered each other's clams. I'll kill that whore if she wins, but only after I suck her cunt one more time.

CHEAP LAY

The dirty pictures in HUSTLER give me a boner. I love to look at the pretty ladies. Real-life pretty ladies don't look at me though. I have to hide in my room and pull my pud until it chokes up cream. No one ever helped me rub my dong but once. That was a long time ago; I was 15, and she was the town slut. Now that I'm old enough to buy liquor, I figure I'm old enough to buy a whore.

I asked my friend Trent about prostitutes because he knows about these things. He gave me a phone number on a card that said LADY DACEY WILL SHOW YOU A GOOD TIME. I asked Trent how much Lady Dacey costs, and he told me $75 for an hour of fun. I worked a couple of extra shifts at the gas station so I'd have enough money. Then I called Lady Dacey. When she answered the phone, she sounded sort of hoarse and groggy, like she'd been sleeping, even though it was two o'clock in the afternoon.

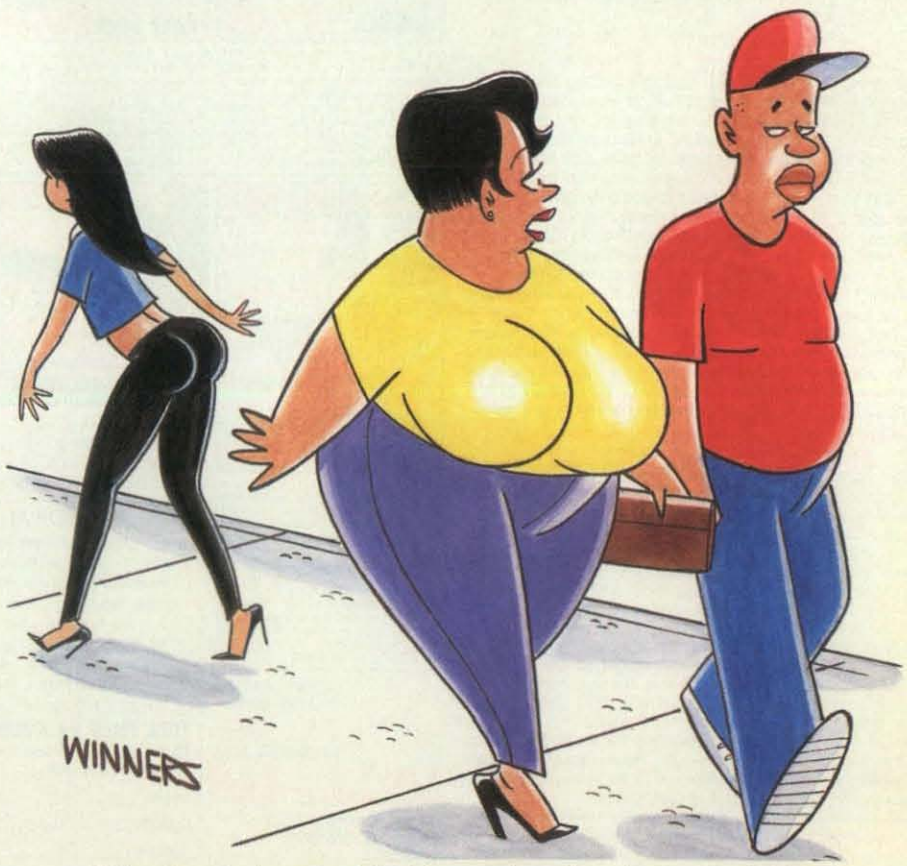
"Hello," I began, "is this Lady Dacey?"

She replied that it was she, then hacked loud and long, like an old man.

"Lady Dacey, my name is Shoney, and I would like to take you on a date," I explained. My palms were slippery and hot; it was difficult to hold the telephone. Her voice was coarse; it sounded like my face feels when I don't shave. She told me to meet her at The Merry Tavern at 7 p.m. and hung up the phone.

I was anxious all day waiting to meet the doxy. When Trent gave me her phone number, he assured me that she wasn't ugly, just a little older than me. I hoped Trent was telling the truth.

The Merry Tavern is close to my house, which is good since I don't have a car. I combed my hair and slathered deodorant



"What does she have that I don't have at least three times as much of?"

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

Before I knew it, I was balls-deep in her snatch. I gasped, so overwhelmed by the sensation that I could hardly move. Dacey bounced effortlessly up and down on my peter.

under my arms. Then I put the $75 in my pocket, plus an extra $20 so I could buy Lady Dacey a drink or two like a gentleman. When I arrived at the tavern, there was hardly a soul inside. A woman in a shimmery, purple dress sat at the bar. I approached nervously and asked if her name was Lady Dacey.

"I'm Dacey," the woman affirmed. Trent was right; she wasn't ugly, but she was probably in her forties. Her hair was a frosty-blond color. She wore shiny, red lipstick and heavy perfume. I asked if I could buy her a drink; she replied that she would like a Coke with coconut rum.

I ordered our drinks. We sat sipping the beverages and trying to make small talk. Dacey chain-smoked Kool cigarettes and picked at her red fingernails. Sitting there was awkward and boring, since we both knew the whole point was that I was paying her to fuck me. Still, we consumed another round before she finally suggested we go somewhere else.

Dacey seemed irritated that I had no car, but her room was just down the road; so it was no big deal to walk there. She lived in The Sleepy Bear Motel. We stepped into the room. I stood with my hands in my pockets, awaiting instruction.

"Do you have the money?" Dacey asked. I fished the crumpled bills from my pocket and handed them to her. She counted the bills, tossed them on her nightstand and unzipped her dress.

"Lie down on the bed," the harlot instructed. Her frock fell into a pile at her feet. She stood in black lingerie, her voluptuous figure only slightly sagging with age. I removed my shoes and reclined on the bed. The comforter was slippery and coarse, like blankets always are in motels. Dacey removed her heels and stockings before squatting on my crotch. I was afraid to grab her boobs, even though I'd paid to do so. I stared as Dacey unhooked her bra, releasing her hefty udders. She cupped the bare bonkers and fondled them absentmindedly.

"I'd like to suck on your boobies," I told her. The hooker nodded and bent forward. I grasped a hooter in each hand. They were large enough that it was difficult to hold onto them. I placed a nipple in my mouth and suckled. The infantile diversion relaxed me; my dick began to bulge. Dacey squirmed against the emerging erection. She unzipped my pants and caressed my dong. I became excited and pawed at her pussy.

"Will you take off your panties?" I panted. My balls ached. Dacey nodded and slipped out of her dainties.

"How do you want it?" she asked, her pubes tickling my shaft.

"I'm not sure," I croaked. I didn't want to admit that I was a virgin. I was hoping she would show me the best way. Dacey didn't want to waste time debating a position; so she sat on my pecker. Before I knew it, I was balls-deep in her snatch. I gasped, so overwhelmed by the sensation that I could hardly move. Not that I needed to; Dacey bounced effortlessly up and down on my peter. I clutched her soft, doughy buttocks and held on.

"That's it, baby," Dacey moaned dutifully, lifting a hefty hooter to her mouth and licking her nerp. She bobbed on my wanker with unbroken, mechanical rhythm. I couldn't do much but clutch that ass and wheeze. I was going to come without using even close to the entire hour. In an effort to milk the clock, I gathered the strength to speak and suggested we try doggy-style. Dacey grunted in agreement and hunkered onto her haunches. My knees wobbled as I rose up and aimed my dink at her hole. I stabbed at her gulch a few times before I entered successfully.

"Fuck me, tiger," Dacey encouraged. I pumped clumsily. The prostitute's pendulous knockers swayed back and forth; her meaty ass jiggled like custard with each thrust of my pelvis. My nuts seized up. I tried to slow down, but I was going to blow no matter what. I groaned and dug my fingers into Dacey's waist.

"Pull out," Dacey moaned, but I didn't have the control. Instead, my hips plunged my cock deeper inside. My shaft gagged and spilled milk all up in Dacey's cave.

"Sorry," I choked, yanking my wang from her snapper and falling back onto the bed.

"Fucking amateur," Dacey mumbled. She waddled into the bathroom and turned on the water.

"I had fun," I called, zipping up my trousers and smoothing my hair.

"Great," Dacey hollered over the noise of the rushing faucet. "Now go home."

I left and hoofed it back to my house. My wiener was still wet when I undressed to go to bed. I was happy not to be a virgin anymore. Maybe now regular women will sense that I've reached true manhood, and they'll want to go out with me and have sex for free. But I'll always have Dacey to thank for showing me how it feels to be inside a woman's warm, squishy vagina. It's a hell of a lot better than my own, dumb palm. —B. L.

"Isn't that just like a man? You give a guy a little head underneath the bar, and automatically he assumes you'll go to bed with him!"

callie
baring fruit

PHOTOGRAPHY BY VANITY

Callie can't resist the soft flesh of sun-ripened fruit. "It just turns me on. When I bite into a good pear or peach and its sweet, sticky juice dribbles down my chin, I start dribbling in other places too."

Callie sets aside a half-eaten plum and delves into her pink grove of flesh. Her body twists in ecstacy. Overcome with a frenzied cunt quake, Callie's body bucks.

"They say fruit is nature's candy," Callie enthuses as her quim cools. "As far as I'm concerned, it's a world-class aphrodisiac too."

BOLD AND BLUE SEASON

A septet of steaming gash in December's HUSTLER will warm the cockles of snowbound readers. Among the showcased slits are Mia and Zandy, a stunning pair of brunettes who ring in the winter solstice with a sapphic romp. Sultry golden girl Sylvia brings sunshine to a cold winter's night when she lights up Devon's yule log. Cucumber enthusiast Elizabeth shows what "strict vegetarian diet" means to an insatiable snatch. Dark-tressed Trina sheds her winterwear and slips her fingers into something more comfortable. Melinda, a sun-kissed blonde, enjoys an unforgettable picnic with only her blanket and sushi taco. HUSTLER's December issue provides all the wood necessary to keep the heat on throughout the coldest part of the year.

STOOLIE HIGH

In the aftermath of Columbine, many of the nation's education boards adopted extreme measures to keep similar tragedies from devastating their schools. Disturbingly, the practices implemented include scores of night-vision video cameras; school-sanctioned snitch programs where students are encouraged to tattle on classmates; and zero-tolerance policies on everything from images of weaponry to aggressive language. Educators who put their faith in such methods maintain that they're protecting America's children from violence, but downplay the impact of Orwellian surveillance on the classroom. A probing HUSTLER feature shows how these tactics violate America's student bodies.

WEB FEET

Members of the online foot-fetish industry want to make it perfectly clear that they're just like the folks next door—who live for footjobs, toe-sucking and heel-tonguing. Although the sexual nature of their podiatric obsessions is evident, these new Web entrepreneurs consider themselves part of a nurturing community that has blossomed on the Internet. Perverse or not, live Webcasts unite toe-tasters from all over the world, and a cottage industry has been spawned for people to share an enthusiasm for all things feet. December's *Sex Play* provides a frank look into the foot-worshiper Web sites.

SNOWED IN BY SNIZZ

Stock the winter larder with a dozen frost-free reviews from *Erotic Entertainment*. Keep off the winter pounds with the Robert Downey Jr. Prison Workout Kit from *Bits & Pieces*, and knock around the annual Fetish Ball in search of consensual kink. Learn how the paralyzed are rousing their erogenous zones out of hibernation. Keep the chill off vital extremities with *Beaver Hunt*'s winter stockpile of neighborhood snatch. The heat rising off the pages of December's HUSTLER could stop the next ice age.

December 2000 HUSTLER on sale September 19.
